STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Jesse Soto, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

It was not fair that the prosecutor get to go first in trial and gets to speak last in trial by last get the last word.
It was not fair words getting throw out that the jury is not to be hearing. They still heard them anyways that was not fair.
It was not fair when I ask for new attorney 3 times I didnt get one. It was not fair that the prosecutor gets to bring my history up in trial and by history says that I been convicted of violet crim

Additional Ground 2

It was not fair of the jury rule's that my history get bring up that if I been convicted of violet crime.
It was not fair police were to get my DNA when they said they have it. It was not fair that the court let them. It was not fair that the sweat shirt or Jackit it was not in trial if that the reason.

If there are additional grounds, a brief summary is attached to this statement.
