No. 46386-5-II
STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Brian Roberts II have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

So i see that the prosecutor counted a viol. sent NCO that was a misdemeanor as a point for sentencing purposes. But im wondering why they never counted the violation of a protection order as a point if they were ever even suppose to count misdemeanors as points they are only counting one on contact order as a point and not the other so that should show there is some type of error shouldn't it?

Additional Ground 2

When i was sentenced on my DV assault 2^o charge the prosecutor never used the enhanced penalties of RCW 9A.04A.525(2) so im not understanding why they are using that subsection now especially since im in an a. non-violent offense. So if i was to be punished under RCW 9A.04A.525(2) how come i was never punished under those provisions on the assault 2^o DV?

If there are additional grounds, a brief summary is attached to this statement.
