STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, John Ring, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I believe I had ineffective Counsel, he failed to be prepared, failed to get needed police reports admitted into evidence because they weren't complete reports, he had lost pages also was given 3 C.D.'S of evidence from Prosecutor, when one was found to be blank he didn't ask for another copy until trial was in progress, when he went to prosecutors office to get

another copy, He took the blank one with him so they would know which one of the 3 he needed. He left it with them and they made a copy of the one he left with them, so they made a copy of a blank C.D. (He didn't make it clear why he needed another copy) We needed a copy of the original that had information on it. He never got a copy of the information on that C.D. He was ineffective

If there are additional grounds, a brief summary is attached to this statement.
