STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, EL COBB, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

During trial 1, there was a Voir Dire procedure where the Judge was undecided regarding the Constitutionality of past NCO's Violations that are being used as a basis to establish this charge as a Felony.

Additional Ground 2

I believe there are Juvenile points that are being incorrectly and Unconstitutionally used in this case's total points calculation.

If there are additional grounds, a brief summary is attached to this statement.

Statement of  
Additional Grounds  
For Review

Additional Grounds #3

2015 AUG -3  
COURT OF APPEALS  
STATE OF WASHINGTON  
PH 12:20

I EC COBB was kept on phone in  
lock in the segregation unit  
during trial and could not access  
a telephone to inform a witness  
when and where to testify.

This was all done without a  
hearing and therefore done unconstitut-  
ionally. The Judge did not know until  
I continued to mention this and  
still did not do anything.

Additional Grounds #4

My Attorney did not read  
to me the trial procedures,  
and therefore I had no idea  
of what to expect or if some-  
thing should or should not  
have been happening during trial.
