STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, James Cochran, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

One of the jurors was waving and talking to my accused's uncle in the audience. the juror was not dismissed. We have no idea what kind of relationship those two had with one another or the influence he had on the juror and the influence the juror had on the rest of the jury.

Additional Ground 2

While standing outside the building with my family jurors 5 and 6 were outside smoking. As we were standing away from them they were talking and pointing at me and my family, they were or were not talking about the case.

If there are additional grounds, a brief summary is attached to this statement.
