TECH

Williams is at a very disadvantage It  
been a Job Change at the Law Library it been  
Vacated For one month. I've been trying  
to get ~~out~~ on the list to do my  
work It's very hard due to Security  
Clearance to be on the Law Library list.  
The Law Library Staff would have to put you  
on the list. And Due to no staff I can not  
do my legal work. This is a problem that  
I have no no control over due to Security  
at Army Heights Correction Center due to Safety  
also. I have no control over this and I  
Can't do anything about this. This is a very  
very extraordinary Circumstances
