Hello Clerks (Erin L. Lennon):

PROBLEM COMPLAINT

1.

I am complaining about the way the clerk is handling my case files, while in progress to rehabilitate my present disabled status. There is a filing with Superior Court that received application for Waiver of Fees due to low-income and indigent filings, not only with King County Superior Court (September 22, 2016), Court of Appeals Division 1, U.S. District Court Western District of Washington (March 27, 2018), Multnomah Court (December 2016), Clackamas Circuit Court (2017), etc. Including the Disability (current status of benefits ---October 24, 2018) submission requiring to be acknowledged.

The practice of adding local surcharges was challenged in court in the **Jafar V. Webb**. My status has not changed since disability was approved July 2015. Where with my Tax Credit Lease Agreement since February 2015 with same place of residence remains. Each renewal equals to the city's rent increases annually. *I am complaining about the dismissal reference by the clerk* that makes reference to pay the fees assessed or case is being dismissed...pursuant to "The Theft Act 1968 section 21 contains the present-day definition of blackmail in English law. It requires four elements:" EXHIBIT ENCLOSED[2]

PROBLEM COMPLAINT

2.

The Confidential---police ***contact***------report supplemental concern, of my teenager being silenced and in violation of Confining her against the custodial interference regulation, police contact---report provided

states domestic violence in this case and so do Supplemental's that are received on November 1, 2018 WITH DOMESTIC VIOLENCE--*TITLE* about ISSUES submissions to the Supreme Court of Washington.

Although, I appreciate the savviness of the clerks abilities to inter-correlate the received records and distort the communication on reference to asserting Charles Alec Winton is to receive carbon copies by suggesting that the CONFIDENTIAL FINANCIAL RECORDS AS PER the clerk, she decides when its domestic violence and when it's okay to disclose pertinent details of finances and auto VIN, plates #, (THE ADDRESS ON RECORD by the way IS THE Social Security Federal Building Address for the Vehicle—You feel me?, I'm tired of being abused and repeating myself on these abuses).

STOP this Obstruction of Justice Now!, Stop aiding and Abetting Charles Alec Winton as also referenced on the Confidential Police CONTACT—Record--Supplemental Emailed submission to you—Supreme Court Clerk on October 27, 2018 at 4:13 pm, and I quote contact on October 26, 2018 at 7:30 pm, with Sandy, Oregon--officer Bickle:

"Bickle referenced to insinuating whether Alec is known by any other nick name?
Rita brushed off the insinuation due to concerns of the reference from Bickle."

FYI: Charles Alec Winton works for a glass company, for 12 years approximately, and my vehicle has had over 6 window break-outs, car break-ins (window replacements receipts avail). As recorded on another Police Report Number # (GO# 2017-304372) Enclosed is also letter from United States Environmental Protection Agency, Washington, D.C. 20460, dated August 16, 2018—for 6 months left from date of letter for time to sue with "*possible* suspects", since

suspects are still unknown? Plus the latest break-in off of Occidental Ave. and S. King St., next to the Seahawks stadium on October 28, 2018 approximately 5:40 a.m. with camera footage on scene from the business front door of where vehicle was parked. EXHIBIT ENCLOSED[3]

FYI: Charles Alec Winton was also named as a looter who used a crow bar on another vehicle of Bryan Candito at my former place residing with child before *illegal* eviction ORS 105.159, domestic VIOLENCE issues! ENCLOSED IS ""AGAIN----------a copy of that texted conversation between Bryan and Rita Cagliostro. EXHIBITS ENCLOSED[4]

FYI: The walls of my and child's former house were vandalized with BLACK spray paint and the door key holes were GLUED (shocking child of belongings inside). Looting was also inside the home of belongings and who knows what else? Since leave on Friday September 13, 2013. EXHIBITS ENCLOSED[5] DO YOU UNDERSTAND WHY IM ENRAGED??????????????????????????????????????

FYI: This is ongoing for years, and those aiding and abetting this problem, with savvy communication written writings on federal records will CONTINUE to be addressed with complaints.

FYI: Copies of verbal abuse caught on phone texts between Charles Alec Winton are also being printed out and scanned and emailed with this complaint as soon as I am at a public library able to obtain the copies for scanning today, tomorrow. EXHIBITS ENCLOSED[6]

Are you able to see the domestic violence issues, and pursuant to Violence Against Women's Rights my complaint is for violations of civil rights pursuant to 42 USC 1983 AND Bivens.

The Motion was on extension of time, was a reference to time to file all pertinent authoritative acknowledgment of this case, including but not limited to an indigent possible hearing if my history of low-income status is being refused unnecessarily and with government oversight.

PROBLEM COMPLAINT

3.

Is the clerk responsible for Intentional Negligence of court clerks oversight non-disclosure focusing on continued indigent and upcoming car-related expenses, for the purpose of maintaining in person contact with teenager who lives in Sandy, Oregon and Rita Cagliostro is driving from Seattle, Washington to meet with teenager under these domestic violence issues and noted violations of confining teenager against our will by Charles Alec Winton, Bickle the officer intentional negligence acknowledgement of the ORS 2017 ORS 163.257[1] Class B Felony, including 2017 ORS 163.245[1] Class C Felony. As the clerk of Supreme Washington is also failing to acknowledge that teenager is not to be confined:

"A person commits the crime of custodial interference in the second degree if, knowing or having reason to know that the person has no legal right to do so, the person takes, entices or keeps another person from the other person's lawful custodian or in violation of a valid joint custody order with intent to hold the other person permanently or for a protracted period."

AND I REPEAT THE VALID ORDER WHICH SUPERCEDES THIS CASE FARCE ORDER ON OCTOBER 24, 2013, DECEMBER 25, 2013 IN QUESTION AT THIS COURT (for demurrer of objecting "until, Charles submits an updated parental mental health evaluation") is the Original Order of March 15, 2010. That order--also being violated with custodial interference clearly stated ..."person's lawful custodian or in violation of a valid joint custody order with intent to hold the other person permanently or for a protracted period." When even if it's my turn to spend time with teenager. DO YOU UNDERSTAND WHY IM ENRAGED??

FYI: As the purpose for the repeated statements on travel expenses are mainly mandatory if the court believes that the farce order on this case holds weight, and or compliance with orders is still a thing. #?

FYI: Receipt of submission on CONFIDENTIAL POLICE –CONTACT RECORD SUPPLEMENTAL needs to be acknowledged and stated as received by the Supreme Court clerk's office with a filed date. I need the receipt?

"The parties are advised that future correspondence from this Court regarding this matter will most likely only be sent by an e-mail attachment, not by regular mail." And after phone calls with the clerks agreeing to receive records by email when the electronic filing is not working properly as is the case again and again, the technical support for the court has technically a blocking not allowing entrance to the portal with the agreed set-up password that the technical assistant set-up to make sure it works <u>just days ago</u>. Here we are again and again, going through regular email until this is not an ongoing issue. Pursuant to Vocational Rehabilitation Section 508.

I disabled person Rita Casgliostro am submitting this informal complaint today for attention to these matters.

Rita Cagliostro

REGARDING: Teenager being confined issues

REGARDING:

2017 ORS 163.257[1] Class B Felony
2017 ORS 163.245[1] Class C Felony

during my times due with child now teenager

On 10/26/2018 around 6:30pm, phone call with officer Coats, was met with a bit of tension.

On 10/26/2018 around 8:30 pm, phone call was received as Rita requested to speak to highest ranked officer for Sandy, Oregon

10/26/2018 around 7:30 to 8:30 pm, Officer Bickle called me and we chatted for about half an hour to an hour

exchanges of Bickle referencing that he has held phone call with me years ago, about the exact same condition of issues with Charles Alec Winton over confinement of child against her will to exit the home to see me her maternal mother.

Bickle referenced not being interested in writing any order violations report for a contempt charge against Charles.

Bickle referenced to insinuating whether Alec is known by any other nick name?

Rita brushed off the insinuation due to concerns of the reference from Bickle.

Rita has insisted that Bickle has been made clearly aware of the types of paper fraud made by Charles Alec's attorney and that Bickle is extremely insistent on not taking the matters of records for a police investigation on those frauds.

The issue for the call again this time was due to Charles Alec Winton canceling the substantiated agreed visits between child and Rita that has been ongoing since the beginning of this year 2018. Rita drives into Clackamas and or Sandy and or Westlinn Oregon to meet and pick up child/now teenager and we spend the day together and then Rita returns her home in time for homework and rest for school on Monday (as per pending court matters).

Charles canceled the visits due to an email exchange copied to Charles Alec Winton by Rita and to the Supreme Court, Charles decided that he feels that Rita is making the case for a stronger position for Rita to win and therefore, he feels that punishing teenager by taking away her phone "again" and confining her against her will is his choice.

Rita placed the phone call to alert the police that the next following Sunday is typically the schedule and it is being interrupted by Charles on his Whim of not liking a Court email exchange as Charles Alec verbally puts it.

Rita referenced to Bickle that Charles Alec Winton is confining teenager against her will to come out of the house, and Rita fears since he did not score well on his parental mental health evaluation in 2009 and for same application reason's was not admitted into the Navy in 2009, that child's life is and could be in a child goes missing life and death situation if Charles does not seek mental health therapy as Rita has demurred/objected to on Motion October 18, 2013 and " until " then fears for now teenager over ego and IRS money.

2017 ORS 163.257[1] Class B Felony
2017 ORS 163.245[1] Class C Felony

Custodial Intereference

as Rita has insisted repeatedly that Bickle provide the police reporting needed to substantiate this with the court.

Rita also referenced to Bickle that **"it is"** a crime, when Bickle makes weak references that it is not a crime.

Rita also referenced to Bickle that if child now teenager being 14 years old is old enough to be left home alone that she is also old enough to walk out the door to see her mother me Rita without the **enticement whether hidden** and fear scare tactics on teenager//// for teenager to pull away from Rita otherwise, since it has been her pleasure to see Rita on Sundays. *Teenager is not speaking out* when she feels these pressures by the police backing of Charles doings and by Charles Alec Winton.

The pattern has been being met of teenager spending Sundays with Rita during the whole afternoons. This pattern works for teenager's school schedule.
The other pattern is school sports where Rita upon mediation agreement goes to teenagers school to watch her in her sports activities.

Anything else is unnecessary pressure and not good fit with child's schedule, regardless of what Charles wants to change to create strain.

Charles is a master of not returning texts and calls on the communication--ordered as not to go between teenager, but Charles uses it as a high power weapon of jumping on the phone only to create unwanted pressure to stop communication between teenager and Rita when court documents have made him-upset.

Charles is holding on to passed five year old perjuries that he feels strong tools of deception for his causes. Those things that he perjuries about are actually things that he has been guilty of doing-himself. He is very much so guilty of those perjuries he claims. Especially when it comes to shady characters he likes to reference, are the exact shady characters he has associated himself with his whole life and has exposed teenager to those shady characters.

In addition, Rita has referenced the second woman in Charles Alec's life known as Erica the now wife and Krystina Osborn the sister of Charles Alec Winton, have been a conduit of encouraging Charles Alec Winton into engaging in domestic violence (in Charles, Rita and teenager small family-though not by marriage still teenagers family)over a child support gain that has been ended due to intentional negligence by Charles Alec's former attorney and but for the encouraging domestic violence by these two grown women to justify an IRS filing of teenager while in court review over all matters in this custody case.

I Rita have not done this to Erica nor Krystina small family but they encourage Charles Alec to domestic violence between our small family unit.

Bickle did reference to Rita to consider taking these Motions back to the courts.

Nonetheless, Rita surges forward with as much patience as the issues allow.

End of report

Does that mean you are not allowed only when it is convenient for you? Are you willing to state that under a lie detector test? The Writ of assistance did not come to you yet it is just a preliminary for Ex-Parte in writing.

Dear Ms. Cagliostro
I received by email today your Motion for Writ of Assistance. It is not permissible for you to contact me directly unless you copy the opposing party's counsel. I am not allowed to have contact with only one party to a case. Both parties must have the opportunity to be heard on all aspects of any case.
Nonetheless, I am denying your Motion for Writ of Assistance. Mr. Winton was awarded custody of your child after a hearing in December 2013. Therefore, you are not entitled to custody of the child and no Writ can be signed.
Sincerely,
Judge Svetkey

Case 18-35738 case disposition was never final (RA)

6.120 DISPOSITION OF EXHIBITS

(1) Unless otherwise ordered or except as otherwise provided in ORS 133.707, all exhibits shall be returned to the custody of counsel for the submitting parties upon conclusion of the trial or hearing. Such counsel must sign an acknowledgment of receipt for the exhibits returned. Counsel to whom any exhibits have been returned must retain custody and control until final disposition of the case unless the exhibits are returned to the trial court pursuant to subsections (2) or (3) of this rule. Both documentary and nondocumentary exhibits submitted by parties not represented by counsel shall be retained by the trial court, subject to subsection (4) of this rule.

(2) Upon the filing of a notice of appeal by any party, the trial court administrator promptly shall notify all counsel that they are required to return all documentary exhibits in their custody to the trial court within 21 days of receipt of the trial court's request. All counsel are required to comply with the notice. The trial court promptly will transmit the documentary exhibits to the appellate court, when requested to do so by the appellate court, under ORAP 3.25.

(3) Upon request by an appellate court for transmission of nondocumentary exhibits, under ORAP 3.25, the trial court shall notify the party in whose custody the nondocumentary exhibits have been placed. The party must resubmit the designated exhibits to the custody of the trial court for transmittal to the appellate court.

(4) Exhibits not returned to the parties shall be processed as follows:

(a) Such exhibits shall be retained by the trial court until the appeal period has elapsed and there is a final disposition of the case.

(b) After final disposition of the case, a notice shall be sent to the parties of record that, unless they withdraw their respective exhibits within 30 days, the exhibits will be disposed of by the court.

(5) Nothing contained in this rule shall prevent parties to any matter before the court from seeking the release or return of exhibits before the times specified in this rule.

(6) Exhibits in the court's custody shall not be removed from the trial court administrator's control except by stipulation or by order of the court.

(7) For purposes of this rule, "documentary exhibits" include text documents, photos and maps, if not oversized, and audio and video tapes. An oversized document is one larger than standard letter size or legal size.

Because the exhibits were admitted by petitioner, the respondent in this case did not get a notice (because petitioner only had exhibits admitted to the court). Please see below:

(See attached file: 0903-62138 Notice of Exhibit Purge.pdf)

In accordance with the provisions of the Oregon Revised Statutes (ORS 133.707) and the Rules of the Court (UTCR 6.120); a notice was sent 10/02/14 and was destroyed 12/4/14 due to Multnomah County's need to get a Presiding Judge Order to have a clear-running record in disposition of exhibits.

Report Narrative

On 10/29/2013 at approximately 1136 hours, Officer D. Mulvey P#391 and myself were dispatched to Cox E.S., located at 2637 E. Gowan Las Vegas, NV 89030 in reference to a custody dispute.

Upon my arrival, I met with Charles Alec Winton, who stated to me that he was here to pick up his daughter Angel Winton from school. He also provide me with a Domestication Nevada Court order that stated that he shall have primary custody until the hearing, due to Rita Cagliostro was in violation of their Oregon State court order regarding custody of Angel Winton.

Charles Winton, also stated that he would go to North Las Vegas Police Department to informed them that he was going to take custody of Angel Winton and so that they can serve Rita Cagliostro with the court order.

In this report is a copy of Charles Winton Oregon State Driver License that properly indentifies him. Angel Winton was released to her father Charles Winton due to the Nevada State court Order. I also made an attempt to contacted Cagliostro to inform her that she has a court order regarding her child, but was unable to reach her. I then cleared with no further incident.

Referral Narrative:
Child: Angel Anna Star Winton (9)
Mother: Rita Cagliostro
Phone number: [redacted]

Father: Charles Winton (whereabouts unknown)

1. What is the extent of child maltreatment?
Child Angel was withdrawn from school on October 29th by someone that did not have authority to do so and mother has not seen the child since this day. It is unknown where the child is at this time.

2. What are the circumstances surrounding the child maltreatment?
Source reported the following information via telephone:

On October 29, 2013, child Angel was "illegally withdrawn" from [redacted] Elementary School in North Las Vegas, NV. The Principal, [redacted] allowed someone that was not authorized to withdraw the child from the school on this day without notifying the mother. When mother contacted the principal, she said that she had been following a court order and that is why she permitted someone else to take child Angel from school on this day. It is unknown who was the one to take the child. [redacted] told mother that a Lieutenant from the Police Department would call mother. [redacted] Lieutenant did call mother and spoke with her for 20 minutes on the phone. After this, mother found out that the person that she spoke to did not exist. Mother has filed a public concern and has contacted all local law enforcement agencies. Mother believes that father, Charles Winton may have taken the child to Oregon, but it is unknown for sure.

If this IWO instructs you to send a payment to an entity other than an SDU (e.g., payable to the custodial party, court, or attorney), you must check the box above and return this notice to the sender. Exception: If this IWO was sent by a court, attorney, or private individual/entity and the initial order was entered before January 1, 1994 or the order was issued by a tribal CSE agency, you must follow the "Remit payment to" instructions on this form.

DISCRETIONARY REVIEW

SEEKING REVIEW OF WRITTEN FINDINGS

I Rita Cagliostro the appellant APPEALS the charges by the Supreme Court again. Appellant is meeting the indigency status as of the year 2015. The status of the appellant has not changed due to any circumstances. The Supreme court clerk may be in violation of the such laws applicable.

Note: my injuries stemming from the issues in these filings are the such that require close monitoring. The interest of the custody of teenager have already been compromised and further compromising is subject to further review.

Note: I Rita Cagliostro refuse to give into duress or pressure for the protection of my teenager. I Rita Cagliostro seek review of written findings.

Note: " For the above reasons Rita Cagliostro Motions for extension of time on the $200 bill issue ..." **was not written nor meant by Rita to extend for time to pay,** but for time to file Motion for Discretionary review and find answers to the findings sought.

1.

Pursuant to: " **A party may also seek review of written findings under section (c)(1) of this rule that the party is not indigent. Review must be sought by a motion for discretionary review.** "

2.

"Several years ago, the Washington State Supreme Court issued a court rule (General Rule (GR) 34) that abolished court fees for low-income people. After enactment of GR 34, state courts waived filing fees for indigent litigants. However, some courts imposed their own local surcharges. This practice of adding local surcharges was challenged in court, and, in the case of *Jafar v. Webb*, the state supreme court reaffirmed that, if a person is found to be indigent under the rule, courts must waive *all* fees and surcharges."

According to the supreme court, GR 34 creates uniform, mandatory standards for granting civil fee waivers:

Any individual, on the basis of indigent status as defined herein, may seek a waiver of filing fees or surcharges the payment of which is a condition precedent to a litigant's ability to secure access to judicial relief from a judicial officer in the applicable trial court.

When the court rule was adopted, the stated purpose of the rule was to establish "a statewide, **uniform** approach to presentation, consideration and approval of requests for waiver of fees and costs for low income civil litigants."

Once a determination of indigency is made, the rule **requires a complete waiver of all fees** to allow equal access to justice in the courts. Discretionary fee waiver would likely lead to "inconsistent results and disparate treatment of similarly situated individuals, the very problems the rule was designed to address."

3.

CONCLUSION

Based on the ruling in the *Jafar* case, courts must waive all fees and costs for individuals who meet the indigency standard. "
