Although we and our client remain sensitive to the rights of *pro se* litigants, Mr. Lukashin's repetitive filings are causing needless time and expense for the actual parties in this case. We, on behalf of Respondent Orkin LLC, respectfully request that the Court enter an order that permits the parties not to have to file substantive responses to any further motions filed by Mr. Lukashin unless the Court requests responses.

Respectfully submitted this 5th day of March, 2020.
