Following under this respective Motion's Argument is to further discuss facts under the issue, the untimely filing of the document.

III. FACTS RELEVANT TO MOTION.

1. Case main issue, sensitivity to Information Technology Super Highway hacking and Stalking.
2. Tracking of this Case closely guarded by the opposing party.
3. Deadline for submission was a Friday, June 19, 2020.

IV. GROUNDS FOR RELIEF AND ARGUMENT.

Fact number 4. This issue have been declared to prior pleadings, that, the unequivocal condition and Petitioner's State of Deprivation is due to some Gangster agenda. The government's stimulus money therein, was a contribution for petitioner to buy a new computer replacing the old one that has been damaged by the intruders at the project & base unit. Instead a new cell phone is more secured than a laptop was supposed by the best option. Therein, downloaded an Application to type up the Motion- for discretionary Review or WORD microsoft, at that instant when all was ready for printing petitioner's

privilege of a litigant to obtain an extension of time." "To prevent miscarriage of Justice extend the time within which a party must file a petition for review."

In addition, merits under the relief requested are in the content and context of the document, Petition for Review. Measurable grounds are substantive wherein, expressly implied Pecuniary, Substantial, Evidentiary interest and Critical to Violation of Constitutional Speedy rights amendment if additional delay is observed.

Wherefore, Petitioner hereby entered and pray for Motion for Extension of Time be granted at the Supreme Court of the State of Washington.
