PROCEDURES FOR CONTINUED COURT OPERATIONS

Due to the COVID-19 pandemic, there will be no in-person dockets in Ferry, Pend Oreille, and Stevens Counties Superior Courts. With no predictable end date for social distancing restrictions, the Superior Court will resume hearings on May 18, 2020, via remote access courtrooms. Each remote courtroom has a designated web link and phone number. Docket details with courtroom links and phone numbers are available on the Court's calendar at www.calendarwiz.com/tricountysuperiorcourt.com.

Information about how to access the remote courtrooms is also posted in hard copy at each courthouse and on each county's website. **Until further notice, being physically present in the courtroom for a hearing is prohibited.** Litigants, attorneys, and members of the public will be able to attend court proceedings remotely, either online or telephonically.

For quick access to any remote courtroom in the judicial district on the day and time of the hearing, find the first Sunday of the month in the calendar and click the "Go to ..." link for your desired courtroom. For example, click on "Go to COURTRoom1: STEVENS" or "Go to FERRY COUNTY COURTRoom" and you will be taken directly to the remote access location for that courtroom. Clicking on the photograph of the Ferry County Courthouse (upper left) or that of the Pend Oreille County Hall of Justice (upper right) will also take you directly to those online courtrooms.

To view detailed information in the calendar, find the date and click on a courtroom to open the *Description* section. Here you can see the setting details for that day. Using the features at the top of the *Description* pop-out box, you can email, download, print, or share the *Description* details and/or set an email reminder. Most of those functions are also available for the overall calendar via the buttons at the top of the calendar. Use your browser to print the calendar. If you have any questions about how to navigate the Court's calendar or the remote access courtrooms, please contact the Court Administrator's Office at 509-684-7527.

ADDITIONAL IMPORTANT MATTERS TO BE AWARE OF: In Stevens County, the calendar and note for hearing procedures for Civil and Family Law motions have changed. In Stevens and Ferry Counties, the calendar for Child Support Enforcement dockets will change on June 15, 2020. These changes are described below and will remain in effect until further notice.

A. CIVIL AND FAMILY LAW MATTERS:

Until further notice, being physically present in the courtroom for a hearing is prohibited.

MOTIONS: Beginning May 18, 2020, civil and family law motions will be heard remotely in all three counties.

In FERRY COUNTY motions should be noted at 11:00 a.m. on the Monday dockets.

In PEND OREILLE COUNTY, motions should be noted at 1:30 p.m. on the Thursday dockets, unless otherwise directed by Commissioner McCroskey.

In STEVENS COUNTY, motions will be heard on Tuesdays and Thursdays from 9:00a to 3:00p, in two courtrooms through May 30th and one courtroom from June 2nd forward. Each case will be set separately for a remote hearing at a specified time and posted in real time on the Superior Court's public calendar. The new procedure for noting motion hearings and the new Note for Hearing form are attached hereto and incorporated herewith.

NON-JURY TRIALS: Beginning June 1, 2020 civil and family law non-jury trials will be set throughout the month of June by request. The number of people permitted to enter the courtroom will necessarily be restricted. Compliance with State and CDC COVID 19 guidelines will be strictly enforced. Everyone who is physically present in the courtroom must abide by social distancing requirements and wear an appropriate mask. The Court has not yet been able to secure a supply of masks, so participants will need to bring their own. Litigants are strongly encouraged to have all witnesses appear by an audio-video link available in each courtroom. Court approval is required before a witness may appear in person. Witnesses and litigants who must travel from out of the area, are members of the vulnerable population, are quarantined, or are exhibiting symptoms of respiratory illness **must** appear remotely by video. Absent agreement of the parties and prior Court authorization, witnesses will not be permitted to testify telephonically. Members of the public may observe non-jury trials remotely, either online or by phone.

If you had a trial that was stricken due to COVID 19, or have filed Certificate of Trial Readiness and are currently awaiting a trial date, please email Judge Reeves at jreeves@stevenscountywa.gov to get a June trial setting (*be sure to cc opposing counsel or party, if possible*). If you have a case that no longer needs a trial date, also notify Judge Reeves immediately. The Court has a long list of pending trials, and re-setting or setting these cases can only occur with the assistance of counsel and/or the parties. Please be aware that if criminal jury trials resume on July 6th, those cases will take priority over everything else. There are three counties in this judicial district that have been waiting to conduct criminal jury trials since mid-March. **June may be the only opportunity to get family law cases tried before the start of the next school year.**

B. EX PARTE MATTERS:

Stevens County Superior Court will continue to hold ex parte dockets at 8:30 a.m. and 1:00 p.m., Monday through Friday. Unless it is impossible, **ALL EX PARTE MATTERS MUST BE HEARD REMOTELY.**

Ex Parte matters that do not need to be put on the record should simply be submitted via email.

For all three counties, ex parte motions/orders, including petitions for immediate temporary protection and/or restraining orders, may be submitted via email to exparte@stevenscountywa.gov.
