: SUPPLEMENTAL EMERGENCY
: ADMINISTRATIVE ORDER
: RE: COURT MASKING AND SOCIAL
: DISTANCING IN COURTROOM

WHEREAS, on February 29, 2020, Governor Inslee proclaimed a state of emergency due to the novel coronavirus disease (COVID-19) outbreak in Washington; and on March 13, 2020, President Trump declared a national emergency due to the COVID-19 outbreak across the United States; and

WHEREAS, during this state of emergency, the Centers for Disease Control and Prevention and the Washington State Department of Health have recommended increasingly stringent social distancing measures of at least six feet between people, and encouraged vulnerable individuals to avoid public spaces; and

WHEREAS, consistent with these recommendations, Governor Inslee issued and extended a "Stay Home, Stay Healthy" order directing non-essential businesses to

1 close, banning public gatherings, and requiring Washingtonians to stay home except to
2 pursue essential activities; and

3 WHEREAS, many court facilities in Washington are ill-equipped to effectively
4 comply with social distancing and other public health requirements and therefore
5 continued in-person court appearances jeopardize the health and safety of litigants,
6 attorneys, judges, court staff, and members of the public; and

7 WHEREAS given the significant number of identified and projected
8 COVID-19 cases in Washington State, the severity of the risk posed to the public,
9 court personnel and litigants, and the child care needs of potential jurors,
10 witnesses, and other parties, and based upon the consistent and urgent advice of
11 all public health experts that proactive "social distancing" and limiting public
12 gatherings is essential to address the emergent healthcare concerns brought on
13 by the COVID-19 outbreak:
