WHEREAS public health dictates that the court take certain measures,

NOW THEREFORE, it is hereby ORDERED, pursuant to the authority of Washington State Supreme Court Order No. 25700-B-625 and the authority of the Presiding Judge of the Snohomish County Superior Court, that the following shall be in effect October 30, 2020:

Health Screening

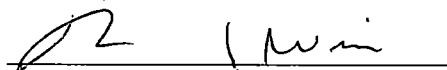

In an effort to continue providing a safe and healthy place for the public to access the Snohomish County Superior Court, health screening shall be conducted at the front entrance to the Snohomish County Courthouse and Denney Juvenile Justice Center. The Snohomish County Sheriff, and/or his designee, is directed to carry out this Order. Prohibiting individuals possessing COVID-19 or symptoms of COVID-19 from accessing the Superior Court is essential to the safety of the public and the Court.

Any member of the public desiring entrance to the Snohomish County Courthouse for the purpose of accessing the Snohomish Superior Court shall be asked the following:

1. Do you have COVID-19 or are you experiencing symptoms of COVID-19 such as fever, cough, shortness of breath, chills, fatigue, muscle pain, sore throat, or new loss of taste or smell which are not explained by another known condition?
2. In the last fourteen (14) days, have you been within six (6) feet of anyone (including family members) with confirmed or suspected case of COVID-19 for a total of 15 minutes over a 24 hour period of time or any other close contact as defined by the CDC?

These questions shall be asked at the security checkpoint to the entrance of the courthouse and Denney Juvenile Justice Center as part of the security screening process. Any member of the public answering affirmatively to either question shall be denied admission to the building. Any member of the public refusing to answer the aforementioned questions shall also be denied admission to the building. Any member of the public attempting to gain admission to the building in violation of this Order may be subject to arrest for trespassing. Proper notification to the Court may result in continuance of a hearing and/or any other action that the Court deems appropriate.
