**GENERAL BUSINESS**

**A. Minutes**

The Board moved, seconded, and passed a vote (M/S/P) to approve the Minutes for January 13, 2017, with a change on page 7. There was a typo in the second paragraph, on page 7 of the materials, and the text under "D. Presiding Judge and Administrator Education Committee" should read: "Judge Marinella informed that there are 'three' position vacancies for this Committee."

**B. Treasurer's Report**

M/S/P to approve the Treasurer's Report. Judge Robertson reported that she and Judge Meyer have provided DMCJA financial institutions the proper paperwork in order for Judge Meyer to handle DMCJA financial transactions as the newly appointed Treasurer. Judge Robertson has also provided DMCJA banks with the proper information in order to handle Special Fund monies as the newly appointed Vice President.

C. Special Fund Report

M/S/P to approve the Special Fund report. Judge Robertson reported she is receiving many Special Fund assessments, which she is carefully recording.

D. Standing Committee Reports

1. Legislative Committee

Judge Meyer gave an update on the six DMCJA proposed bills. He reported that both (1) House Bill (HB) 1195, *Surrender of Person Under Surety's Bond*, and (2) HB 1199/Senate Bill (SB) 5203, *Allowing Youth Courts to have Jurisdiction over Transit Infractions*, have passed out of the House unanimously. He reported that HB 1221, *Solemnization of Marriages by CLJ Commissioners* also passed out of the House. Judge Meyer further reported that HB 1196/SB 5175, *Modifying Process to Recover Judgments in Small Claims Court*, has a hearing on March 15, 2017. He informed that HB 1478/SB 5342, *Discover Pass Penalty Distribution*, is now in the Appropriations Committee. The sixth bill, regarding municipal court DNA Samples to be tested by the Washington State Patrol lab has been included in HB 1111, Related to DNA Biological Samples.

Judge Meyer reported that HB 1614, *Concerning Impaired Driving*, modifies the impaired driving provision, and he further defines what constitutes "off the road." The bill is scheduled for a hearing. Judge Meyer informed that there are a lot less bills this year that impact the courts of limited jurisdiction. He also informed that the chamber budgets are not out yet, and that Melanie Stewart, Esq., DMCJA Lobbyist, is waiting for the budget forecast to be released.

2. Rules Committee

Ms. J Benway reported on Amendment CrRLJ 3.4, *Presence of the Defendant*, which was proposed by the Court Video Testimony Workgroup. Ms. Benway informed that the Court Video Testimony Workgroup is looking at legislative video conference proceedings under RCW 10.77. She reference the DMCJA Rules Committee's proposed amendments. She expressed that the main issue is that the language is "mandatory", thus, the recommendation is that it is not mandatory but permissive. Ms. Benway informed that comments for the proposed rule must be submitted by April 30, 2017.

M/S/P to make this report topic a discussion item.

E. Trial Court Advocacy Board (TCAB) Update

Judge O'Donnell reported that the TCAB will not meet in February 2017. Thus, the next meeting is March 10, 2017. He said the group plans to revisit and revitalize the Justice in Jeopardy Initiative. This project will entail cleaning up language in the trial court improvement fund statute. The goal is to ensure that all funds are used solely for the courts

F. Judicial Information Systems (JIS) Report

Ms. Cullinane provided an update regarding the courts of limited jurisdiction case management system (CLJ-CMS) Project. She informed that vendor demonstrations will take place February 13-24, 2017. Following the vendor demonstrations, the CLJ-CMS Project Steering Committee expects to have the apparent successful vendor named by May 2017, and expects to have the vendor on board and starting work in September 2017.

Ms. Cullinane also reported that the District and Municipal Court Management Association (DMCMA) is leading the charge on data cleanup road shows. There was a recent data cleanup training for Clallam and Jefferson counties. She said this will make the conversion to the new system much easier. There is a CLJ-CMS Data Cleanup folder set up in BOXI. Courts can run the reports in that folder to find data that needs cleanup. Ms. Cullinane stated that Whatcom County is next, followed by south and southwestern Washington. Additionally, the Administrative Office of the Courts (AOC) is working on moving prosecutors' and public defenders' JABS access to be managed by the AOC, which will lighten court staffs' workload. The AOC and the DMCMA will go court-by-court to transition the JABS access.

Ms. Cullinane further informed that on Inside Courts, the CLJ-CMS Project website now has a complete legislative toolkit available that includes a one-page CLJ-CMS Project fact sheet for legislators and templates for letters to their legislators. She informed that a message regarding the CLJ-CMS Project, which contains the toolkit, is scheduled to go to the DMCJA and DMCJA listservs. Ms. Cullinane said she will follow up with those steering committee members assisting with this CLJ-CMS correspondence.

## LIAISON REPORTS

### A. District and Municipal Court Management Association (DMCMA)

Ms. Paulette Revoir, DMCMA President, reported that their next Board meeting is scheduled for March 9, 2017. The DMCMA continues to work with the AOC regarding JIS data cleanup for the CLJ-CMS Project. As previously reported, the annual DMCMA conference will be held May 21-24, 2017 at the Semiahmoo Resort in Blaine, Washington, and the conference theme is Change Management. Additionally, the DMCMA Long Range Planning Committee is meeting to discuss outreach programs, which include distribution of the DMCMA Connection newsletter.

### B. Superior Court Judges' Association (SCJA)

Judge O'Donnell reported that the legislative teams are working well together this year, and that Tom Parker, SCJA Lobbyist, is pleased with how all legislative shops are collaborating. Judge Meyer, DMCJA Legislative Committee Chair, commended Mr. Brady Horenstein, AOC Associate Director of Legislative Relations, on his work this Legislative Session. Judge O'Donnell further reported that some legislative bills are moving forward. He said the SCJA hopes House Bill 1378, *Disqualification of Judges*, will pass out of the Legislature.

#### 1. 3DaysCount Initiative Status Update

Judge O'Donnell provided a status update for the 3DaysCount Initiative. He informed that the Pretrial Reform Task Force has a planning meeting next Wednesday at noon, and that he, Judge Marinella, and Justice Yu and her staff plan to attend the Conference Call. The main points of discussion will include the following: (1) Who other than the principles should be on the task force, and (2) what is their time parameter? Judge O'Donnell also informed that the Pretrial Justice Institute Readiness Assessment draft is ready for review. He then reported that the Minority and Justice Commission has decided not to be one of the applicants. The DMCJA and SCJA, however, will apply for the 3DaysCount Initiative grant.

### C. Washington State Association for Justice (WSAJ)

Mr. Willaford reported that the WSAJ's Judicial Relations Committee received feedback that members had experienced difficulty with some district courts scheduling only one or two days for civil trials, and that the Committee was concerned that if this was a general practice across the state then it might cause a reluctance to file some civil claims in district court. The Board suggested that the WSAJ contact presiding judges and/or district court judges throughout the state to address their concerns. After further discussion, it was also suggested that a statement with the WSAJ's concerns be sent to the DMCJA listserv. Judge Robertson will also speak with the WSBA RALJ Committee regarding the concern.

### D. Administrative Office of the Courts (AOC)

Ms. Callie Dietz, State Court Administrator, reported that the AOC has been very busy, and they have done well with the legislative session. Work sessions have gone well this year. They have seen nothing on the budget yet. She will be in communication with Mr. Brady Horenstein, the new AOC Associate Director of Legislative Relations, regarding the needs of the courts. She further informed that Mr. Horenstein has been well received by the judicial community.

Information Technology (IT) projects are the AOC's main focus now, and the CLJ projects are exciting. She said the Superior Court Case Management System (SC-CMS) project is also interesting. The next SC-CMS

Go Live starts in May 2017, and they will be rolling those out until the end 2018. She informed that there are some concerns regarding the expedited data exchange. She said they need to find good people with the right experience, but are working through those issues and are optimistic.

Ms. Dietz said that she is pleased to work with the AOC staff supporting the DMCJA and SCJA, Ms. Sharon Harvey, Susan Peterson, Janet Skreen, Sondra Hahn, and Cindy Bricker. She feels this way the AOC and Associations can have a faster exchange of sharing information, and said the extra hands of Ms. Hahn and Ms. Peterson have been helpful, and should be especially helpful as Ms. Harvey moves into the DMCJA policy analyst role.

E. Board for Judicial Administration (BJA)

There was no BJA meeting was in January. The February BJA meeting will be the first meeting with Chief Justice Mary Fairhurst. Additionally, the BJA Legislative Committee Reception is scheduled for March 14, 2017, from 5:20 p.m. to 7:30 p.m., at the Temple of Justice. DMCJA Board members are encouraged to attend.

**ACTION**

1. *CLJ-CMS Request for Proposal (RFP) Evaluators – Pro Tem Reimbursement Process*  
M/S/P to set aside \$15,000 more for CLJ-CMS Pro Tem reimbursement. The additional funds will come from the Board's savings account and will only be used for the CLJ-CMS Project's evaluation process.

2. *DMCJA Policy Analyst Position Process Proposal*  
M/S/P to adopt the proposed process regarding the new Policy Analyst position, which would require proposals to be submitted to Ms. Harvey, Policy Analyst, who would then forward proposals to the DMCJA Executive Committee for review and assignment prioritization.

**DISCUSSION**

**A. CLJ-CMS Request for Proposal (RFP) Evaluators – Pro Tem Reimbursement Process**

Judge Marinella informed that RFP Evaluators and CLJ-CMS Project Steering Committee members will spend two weeks visiting sites to evaluate vendor for the new case management system. The Board previously voted to allot \$15,000 for Pro Tem reimbursement for DMCJA RFP evaluators. He then asked the Board (1) how to divide the funds allocated to participating DMCJA members, and (2) whether CLJ-CMS Project Steering Committee members should qualify for Pro Tem reimbursement.

It was noted that according to contract, all CLJ-CMS Steering Committee members must attend vendor demonstrations alongside Association RFP Evaluators. The Board discussed the purpose for CLJ-CMS Project Steering Committee attendance when there are DMCJA RFP evaluators. Ms. Dietz, who serves on the Project Steering Committee, stated that experience with the superior court case management system (SC-CMS) project has shown them that it was beneficial when Steering Committee members can see how the product works and where there would be additional needs. Also, the demonstrations help to determine who the successful vendor will be, and, if Project Steering Committee members are confused or do not understand a feature, it gives them the opportunity to speak directly with the vendor regarding the product feature. Ms. Dietz noted, that although the Judicial Information Systems Committee will make the ultimate decision regarding the new CLJ-CMS, the JISC is relying on the judges and court administrators, who will actually use the product.

The Board discussed the importance of carefully evaluating a vendor for the new CLJ-CMS and inquired whether to provide additional funding in order for DMCJA Judges to hire pro tempore judges while they were evaluating the two vendors.

M/S/P to move this discussion topic to an action item.

#### **B. Annual Dues Process**

Judge Marinella informed that Judge Robertson had originally thought it would be best for the bookkeeper, Ms. Christina Huwe, to receive all the checks, and she wanted the Board to discuss whether next year all checks should be sent directly to Ms. Huwe. Judge Marinella, however, questioned whether it is really a best practice to have all the money going to bookkeeper, and wondered if the Board should have a check and balance in place of it going to the treasurer first, then to bookkeeper. If it goes to the treasurer first, more than one set of eyes will be on the funds. It was noted that while it may be easier to have monies sent directly to the bookkeeper, there needs to be diligence since Board members are custodians of the DMCJA's money. Thus, oversight is needed. By general consensus, the Board agreed that it is best that all dues and assessments be sent first to the treasurer first, and, then to the bookkeeper.

Judge Robertson further inquired whether all three bank accounts should be located at one financial institution. It was mentioned that this idea had been talked about in the past; however, there were some concerns. At that time, there was concern that if all funds were in one account, it might go over the FDIC limit, which was \$250,000. Additionally, there was an issue with Bank of America providing convenient customer service during officer transitions. It was suggested that the FDIC limit have been raised up to \$500,000. Thus, Judge Robertson will look into the current FDIC limits to determine if the checking and savings accounts can be combined into one account and report back to the Board.

#### **C. DMCJA Policy Analyst Position Process Proposal**

Judge Marinella informed the Board that Ms. Harvey is the DMCJA Policy Analyst, which is a newly created position. He stated that he would like the Board's input on how best to utilize the Policy Analyst position for the association's benefit. He informed that a message regarding the process for receiving policy assignments is enclosed in the meeting materials. The proposed process is for association members to send policy ideas Ms. Harvey, who would then present them to the DMCJA Executive Committee, which is comprised of DMCJA Board officers. The Board discussed whether to make this topic an action item.

M/S/P to make this an action item.

#### **D. District Court Districting Committee – Adams County**

Judge Marinella informed that he appointed Judge Adalia Hille to the District Court Districting Committee in Adams County, which presently had no DMCJA member. He explained to the Board that a DMCJA member on the Districting Committee is required by statute and that Judge Hille is the logical choice for the position. Judge Marinella will talk with Judge Hille and make sure she talks to Dirk Marler, AOC Director, who has worked on issues regarding Judicial Independence. Judge Robertson will also speak with Judge David Larson, Federal Way Municipal Court, to speak with Judge Hille regarding these issues.

#### **E. Board Operational Rules – Whether to Add a Code of Civility**

Judge Marinella informed that the question of whether to create a code of civility for meetings came up following a recent exchange between a judicial officer and an AOC staff member. As a result, Judge Marinella and Ms. Harvey discussed the idea of having a "code of civility" for judges in Washington. Ms. Harvey, who is a member of the Maryland Bar, which has an aspirational Code of Civility, provided Maryland's Code of Civility for the Board's reference. Judge Marinella asked members whether the Board should adopt a code of civility for meetings, which they could also take it back to their own courts. The Board discussed the pros and cons of the idea, and if so whether it should be for all judges on all levels of court. In addition, the question arose of who a code of civility should come from, such as the DMCJA judges or the Washington State Bar Association (WSBA). The Board decided that a Code of Civility should be presented by an entity other than its Association.

**F. CrRLJ 3.4, Presence of the Defendant**

This issue relates to the Court Video Testimony Workgroup's proposed amendment to CrRLJ 3.4, which the Supreme Court has published for comment by April 30, 2017. The DMCJA Rules Committee recommended that the Board submit a comment that the language be changed from "shall" to "may" regarding video conference proceedings under RCW 10.77.

M/S/P to make this discussion topic an action item for the March Board meeting.

**INFORMATION**

**A. Presiding Judge and Administrator Education Committee**

Judge Marinella informed that there are still three position vacancies for this Committee. Each vacancy has a term of three years.

**B. Washington State Center for Court Research (WSCCR) Advisory Board**

Judge Marinella informed that there is one vacant position for the WSCCR Advisory Board. The vacancy has a term of three years.

Another meeting announcement will be sent to the DMJCA listserv for each of these positions requesting volunteers. He also encouraged Board members to encourage members to apply for a position.

**OTHER BUSINESS**

A. Judge Marinella informed that the annual DMCJA Legislative Committee Reception is on March 17, 2017, from 12:15 p.m. to 1:15 p.m. at the Temple of Justice in Olympia. All Board members are invited, and so are members of the House Judiciary Committee, House Public Safety Committee, House General Government & Information Technology Committee, and Senate Law & Justice Committee. He encouraged Board members to attend and to contact their legislators about attending as well.

Judge Gehlsen informed that the DMCJA Public Outreach Committee sent out a message that provided resources for Judges to use when contacting legislators.

B. Judge Marinella informed that conference planning is going well for the annual District and Municipal Court Judges' Spring Conference, which is scheduled for June 4-7, 2017, at the Davenport Grand Hotel, in Spokane.

C. Judge Marinella encouraged Board members to contact either him or Ms. Harvey if there is anything specific they want added on the next Board meeting agenda. Agenda topics will be reviewed and considered by the DMCJA President.

D. The next DMCJA Board Meeting is April 14, 2017, 12:30 a.m. to 3:30 p.m., in AOC Office, SeaTac.

SUBJECT: Proposed Amendment to ER 1101(4)  
DATE: February 27, 2017

In 2016, Washington voters passed Initiative 1491, creating a new “Extreme Risk Protection Order Act,” which has been codified in chapter 7.94 RCW. Protection orders are the subject of ER 1101(c)(4), which specifically states that the rules of evidence need not be applied in certain types of protection order proceedings. ER 1101(c)(4) contains a list of protection order proceedings where the Rules of Evidence need not apply. The creation of a new statutory protection order suggests that Evidence Rule 1101 should be amended to incorporate the new order.

The Rules Committee considered the issue and voted unanimously to recommend that ER 1101(c)(4) be amended as proposed and that the DMCJA Board forward the proposal to the Supreme Court Rules Committee.

Thank you for consideration of this recommendation. If you have any questions, please contact me at 253-798-7712 or [fdacca@co.pierce.wa.us](mailto:fdacca@co.pierce.wa.us).

SUBJECT: Amendment to CrRLJ 3.4, proposed by the Court Video Testimony Workgroup  
DATE: January 30, 2017

As a result of legislation passed in 2015, a “Court Video Testimony Workgroup” was formed to facilitate the use of video testimony in court matters under chap. 10.77 RCW. As a result of its efforts, the Workgroup proposed changes to CrRLJ 3.4, which the Supreme Court has published for comment with a deadline of April 30, 2017.

The DMCJA Rules Committee reviewed and discussed the proposed amendment beginning with the November 2016 meeting. The Committee has concerns regarding the mandatory nature of the amendment. In particular, the Committee is concerned that courts in small jurisdictions and those with limited budgets will be unable to comply with the technical requirements of the rule. For this reason, the Committee recommends the use of “may” rather than “shall,” and also that “good cause” is clarified.

Thank you for consideration of this recommendation. If you have any questions, please contact me at 253-798-7712 or [fdacca@co.pierce.wa.us](mailto:fdacca@co.pierce.wa.us).

## GR 9 COVER SHEET

### Suggested Amendment to WASHINGTON STATE COURT RULES: CRIMINAL RULES FOR COURTS OF LIMITED JURISDICTION

#### Amend CrRLJ 3.4: Presence of the Defendant

#### Submitted by the SB 5177 (Court Video Testimony) Work Group

**A. Name of Proponent:** SB 5177 (Court Video Testimony) Work Group

**B. Spokesperson:** Judge Ronald Kessler, Work Group Chair

**C. Purpose:** CrRLJ 3.4 governs issues regarding the presence of the defendant in Courts of Limited Jurisdiction. Senate Bill 5177, section 13, requested the Administrative Office of the Courts to convene and staff a work group “to consider and facilitate the use of video testimony by state competency evaluators and other representatives of the department of social and health services and the state hospitals in court matters under chapter 10.77 RCW”. The work group was requested to complete its work by June 30, 2016.

The Administrative Office of the Courts formed a work group comprised of representatives from the Superior Court Judges’ Association (SCJA), the District and Municipal Court Judge’s Association, the Association of Washington Superior Court Administrators, the Washington Association of Prosecuting Attorneys, Disability Rights Washington, the Department of Social and Health Services (Western and Eastern State Hospitals), Washington State Association of County Clerks, the District and Municipal Court Management Association, Washington Defender Association, and the Washington State Association of Counties.

The Work Group met over the course of several months. Discussion included the question of whether or not the Confrontation Clauses were implicated. While courts have applied the Confrontation Clause to some pretrial hearings, it appears that the issue is whether or not the purpose of the hearing “retains a direct relationship with the trial,” *Kentucky v. Stincer*, 482 U.S. 730, 740, 107 S. Ct. 2658, 2664, 96 L. Ed. 2d 631 (1987), *Pennsylvania v. Ritchie*, 480 U.S. 39, 52, 107 S.Ct. 989, 94 L.Ed.2d 40 (1987), *United States v. Hamilton*, 107 F.3d 499, 506 (7th Cir.1997), *United States v. Algere*, 457 F. Supp. 2d 695, 700 (E.D. La. 2005), *United States v. Makris*, 398 F.Supp. 507, 509-11 (D.C.Tex.1975), *aff’d*, 535 F.2d 899 (5th Cir.1976). The Work Group decided to request the proposed rule amendment. The proposed amendment presumes that the forensic evaluator will appear by video in hearings under 10.77 RCW. The proposed amendment assumes that all other parties will be physically present in the courtroom for

the hearing. A party can file a written motion objecting to the hearing being conducted by video conference. The Department of Social and Health Services has some funding that may be available to assist courts in the purchase of video conference equipment.

Appearing by video allows the forensic evaluators to minimize travel time and maximize time spent conducting evaluations. It is hoped that this increased efficiency will shorten the amount of time a defendant spends waiting for an evaluation and that when necessary, the competency restoration process can begin earlier.

This proposed amendment was deemed necessary because the current rule would require the agreement of the parties and the approval of the trial court judge before conducting a competency hearing under 10.77 RCW. The Work Group did not believe this provision would provide the desired effect of making the competency hearing process more efficient and timely.

The Work Group requests that this proposed amendment be considered as expeditiously as possible.

Re: Salary Commission's Budget

Dear Judge Marinella:

The constitution grants sole salary setting for the statewide elected officials to the Commission. Additionally, RCW 43.03.310 (2) states, "Except as provided otherwise in RCW 43.03.305 and this section, the commission shall be solely responsible for its own organization, operation, and action and shall enjoy the fullest cooperation of all state officials, departments, and agencies." Clearly this cooperation has not and is not happening.

The Commission's budget has been reduced, starting in 2008, to a level that is no longer sustainable. Due to these cuts, the commission must minimize its constitutionally mandated salary setting process for 2017 and may be forced to entirely cancel our salary setting for 2019. This will directly impact 515 elected officials and will cause a trickle-down effect to hundreds more who use the salaries we set to establish other salaries.

The Commission:

- No longer has office space and both part-time employees are operating out of their residences.
- In June, the Commission will again lose the second part-time staff person and will be solely operated by one part-time person.
- No travel funds to enable the Commission to travel around the state to gain citizen input.
- State records are vulnerable.

A supplemental budget request in 2015 was not funded. The Commission again submitted a 2017-19 budget request through the Office of Financial Management. The Governor's Budget only includes a small portion of this request. As currently funded, the part-time staff will not be able to carry out the responsibilities and will make the Washington Citizens' Commission on

**Re: Community Competency Evaluations**

In recent years, the Department of Social and Health Services (DSHS) has experienced increasing demand for its forensic evaluation and competency restoration services and has been ordered to provide each of these types of services within short turnaround times imposed under statutory provisions and court orders (*Trueblood v. DSHS et al*). DSHS, in coordination with its many community partners, has made significant efforts to expand and improve the delivery of forensic mental health services.

Despite the expansion of DSHS's team of forensic evaluators, DSHS is still not able to meet the statutorily prescribed seven (7) day performance target for the completion of in-custody competency evaluations. In order to ensure that defendants receive timely competency evaluation services, RCW 10.77.073 provides counties an opportunity to appoint their own community competency evaluators if DSHS is unable to meet the seven-day performance target, while receiving reimbursement from DSHS for performing the service. Per 10.77.073, DSHS must reimburse the county for that service in case of the following:

- If DSHS did not meet the seven day performance target during the most recent quarter in 50% of cases submitted by the referring county, as documented in the most recent quarterly report under RCW 10.77.068(3) or confirmed by records maintained by DSHS, DSHS must reimburse the county for the cost of appointing a qualified expert or professional person; OR
- If during the most recent quarter, DSHS did not perform at least one-third of the number of jail-based competency evaluations for in-custody defendants as were performed by qualified experts or professional persons appointed by the court in the referring county,

Evaluations may be for both felony and misdemeanor cases. The current fee the Department is authorized to pay for forensic evaluations is \$100 per hour up to \$800 (unless preauthorized for an amount that exceeds this limit).

Each quarter, DSHS will notify eligible counties of the option to use community competency evaluators. In addition, DSHS will publish the names of the counties which are eligible at the following link:  
<https://www-staging.dshs.wa.gov/bha/office-service-integration/community-competency-evaluations>

Per RCW 10.77.073(3), eligible counties who elect to utilize this option will be required to maintain data elements in consultation with DSHS, including data on the timeliness of competency evaluations completed under this section, and to share this data with DSHS.

If you or any interested parties have questions regarding this program, please email [ofmhswebsite@dshs.wa.gov](mailto:ofmhswebsite@dshs.wa.gov). Thank you for your assistance in this matter,

**Plea of not guilty due to insanity—Doubt as to competency—Evaluation—Bail—Report. (Effective until April 1, 2018.)**

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate a qualified expert or professional person, who shall be approved by the prosecuting attorney, to evaluate and report upon the mental condition of the defendant.

(b) The signed order of the court shall serve as authority for the evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. If the court is advised by any party that the defendant may have a developmental disability, the evaluation must be performed by a developmental disabilities professional.

(c) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant to a hospital or secure mental health facility for a period of commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(d) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if: (i) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation.

(e) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

(f) When a defendant is ordered to be committed for inpatient evaluation under this subsection (1), the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the evaluator regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional

person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the evaluation shall include the following:

- (a) A description of the nature of the evaluation;
- (b) A diagnosis or description of the current mental status of the defendant;
- (c) If the defendant suffers from a mental disease or defect, or has a developmental disability, an opinion as to competency;
- (d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)(d) unless the evaluator or court determines that the defendant is competent to stand trial;

(e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant should be evaluated by a designated mental health professional under chapter 71.05 RCW.

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

If the court is advised by any party that the defendant may have a developmental disability, the evaluation must be performed by a developmental disabilities professional.

(1) The department shall reimburse a county for the cost of appointing a qualified expert or professional person under RCW 10.77.060(1)(a) subject to subsections (2) through (4) of this section if, at the time of a referral for an evaluation of competency to stand trial in a jail for an in-custody defendant, the department: (a) During the most recent quarter, did not perform at least one-third of the number of jail-based competency evaluations for in-custody defendants as were performed by qualified experts or professional persons appointed by the court in the referring county; or (b) did not meet the performance target for timely completion of competency evaluations under RCW 10.77.068(1)(a)(iii) during the most recent quarter in fifty percent of cases submitted by the referring county, as documented in the most recent quarterly report under RCW 10.77.068(3) or confirmed by records maintained by the department.

(2) Appointment of a qualified expert or professional person under this section must be from a list of qualified experts or professional persons assembled with participation by representatives of the prosecuting attorney and the defense bar of the county. The qualified expert or professional person shall complete an evaluation and report that includes the components specified in RCW 10.77.060(3).

(3) The county shall provide a copy of the evaluation report to the applicable state hospital upon referral of the defendant for admission to the state hospital. The county shall:

(b) Share this data with the department upon the department's request.

(4) A qualified expert or professional person appointed by a court under this section must be compensated for competency evaluations in an amount that will encourage in-depth evaluation reports. Subject to the availability of amounts appropriated for this specific purpose, the department shall reimburse the county in an amount determined by the department to be fair and reasonable with the county paying any excess costs. The amount of reimbursement established by the department must at least meet the equivalent amount for evaluations conducted by the department.

**To:** 'G. Scott Marinella' ; 'Steiner, David'  
**Cc:** Harvey, Sharon  
**Subject:** BJA Membership Terms

Judges Marinella and Steiner,  
 In order to prepare for next year's BJA membership, I have been mapping out the positions we have and the positions we need. This is what I have for the CLJs.

**BJA Terms of Office 2016-2021**

	DMCJA Member Chair		SCJA Member Chair		
	2016- 2017	2017-2018	2018- 2019	2019- 2020	2020- 2021
CL J 1	Garro w				
CL J 2	Logan	Logan	Logan	Logan	
CL J 3	Ringus	Ringus	Ringus	Ringus	
CL J 4	Jaspric a				

As you can see, Judges Garrow and Jasprica's terms expire this year (June 30). It is my understanding that Jasprica would like to continue, but Garrow is done. We will need those positions filled.

Also, take note that the DMCJA will be up for the BJA member chair starting on July 1<sup>st</sup>. A two year term.

I assume that you already knew both of these things, but in my preparation I have discovered a problem. When the BJA last adopted their rules in 2010 they built in a staggered term plan to ensure that when it was time for the SCJA and DMCJA to choose a member chair that they had four choices that all had at least one year of BJA experience. It appears as though the DMCJA also adopted that language into their bylaws.

*DISTRICT AND MUNICIPAL COURT JUDGES' ASSOCIATION BYLAWS*

*ARTICLE VIII - Board for Judicial Administration*

*Section 1. BJA Representative:*

*The Association shall be represented on the Board for Judicial Administration (BJA) by the Association President and by four members, as follows: One (1) municipal court judge, one (1) district court judge and two (2) members at large. Selection shall be by vote of the membership as with other Association officers. The Association President position shall be for the period of the Association Presidency. The President-Elect shall be an ex officio member of the BJA during their term as President Elect. All other positions shall be for a term of four years—provided that the terms of members which begin on July 1, 2010 and July 1, 2011 shall be for two years. Representatives shall not serve more than two terms*

*consecutively. A representative may serve an unexpired term, less than a full term, and then serve two consecutive terms.*

The problem is that these terms were not followed. Judge Ringus thought it had to do with Judges Churchill and Derr changing their terms to adapt to the member chair opening. I wasn't here at the time so I can't really provide you with any specifics. Regardless, the terms are off. You can see the DMCJA and the BJA do not have four BJA experienced options to choose from when selecting the next BJA member chair. Judge Jasprica may be voted back on by your members, but that is not guaranteed. Worst case scenario is that Judges Logan and Ringus are the only BJA experienced members available to become member chair.

I do have a possible solution that will not solve this year's problem, but will solve the problem in the future, or at least until 2035 which is as far as I've projected. That solution is to have the two newly elected BJA members serve only two years. This will get us back on track.

I want to know how you feel about this? Would it require a bylaw change? It may require a BJAR change. If so, I think we would be better off with being more general rather than specific. For example.

***DISTRICT AND MUNICIPAL COURT JUDGES' ASSOCIATION BYLAWS***

***ARTICLE VIII - Board for Judicial Administration***

***Section 1. BJA Representative:***

*The Association shall be represented on the Board for Judicial Administration (BJA) by the Association President and by four members, as follows: One (1) municipal court judge, one (1) district court judge and two (2) members at large. Selection shall be by vote of the membership as with other Association officers. The Association President position shall be for the period of the Association Presidency. The President-Elect shall be an ex officio member of the BJA during their term as President Elect. ~~All other positions shall be for a term of four years—provided that the terms of members which begin on July 1, 2010 and July 1, 2011 shall be for two years.~~ Representatives shall not serve more than two terms consecutively. A representative may serve an unexpired term, less than a full term, and then serve two consecutive terms.*

I welcome your thoughts on this.

Please let me know if I haven't explained this clearly. I've already talked to the Chief about it as well as Judge Sparks. They are waiting to hear back from you.

Sharon,

I'm writing to let important supporters of Youth & Government like you know that, as of April 3rd, I will be moving from my position as Y&G Executive Director to take on a new role as the Executive Director for Youth & Community Development with the South Sound YMCA in Olympia.

For the past 12 years I've enjoyed learning and growing within our Youth & Government family. I've made some truly amazing friends and am confident the relationships we've built over the years will continue in new ways and bring new opportunities for partnership and service in our communities.

Over the next few weeks I will work closely with Youth & Government board, staff and volunteers to ensure a smooth transition as we continue to offer outstanding experiences for young people around the state. Please stay tuned to our website and Facebook page for information regarding our staffing plan and open positions in Washington Youth & Government.

Thank you for being part of our family, for all you do for the program, and for all you have done to teach and support me and my family over the years. I look forward to seeing many of you at events this spring!

Very Sincerely,

**Sarah Clinton** | Executive Director

7-14-16 DRAFT

RULE 36. JURY SELECTION

- (a) **Scope of rule.** This procedure is to be followed in all jury trials.
- (b) A party may object to an adverse party's use of a peremptory challenge on the grounds that the race or ethnicity of the prospective juror could be viewed as a factor in the use of the challenge, or the court may raise this objection sua sponte. When such an objection is made, the party exercising the peremptory challenge must articulate on the record the reasons for the peremptory challenge.
- (c) Using an objective observer standard, the court shall evaluate the reasons proffered for the challenge. If the court determines that an objective observer could view race or ethnicity as a factor for the peremptory challenge, the challenge shall be denied.

**Comment**

[1] The purpose of this rule is to eliminate the unfair exclusion of potential jurors based on race. This rule responds to problems with the *Batson* test described in *State v. Saintcalle*, 178 Wn.2d 34 (2013), and provides a different standard for determining whether a peremptory challenge is invalid than that provided for in *Batson v. Kentucky*, 476 U.S. 79 (1986). For purposes of this rule it is irrelevant whether it can be proved that a prospective juror's race or ethnicity actually played a motivating role in the exercise of a peremptory challenge.

[2] An objective observer is one who is aware that purposeful discrimination and implicit, institutional, or unconscious bias have resulted in the unfair exclusion of potential jurors based on race in Washington.

[3] In determining whether an objective observer could view race or ethnicity as a factor in the use of the peremptory challenge, the court shall consider the following: (a) the number and types of questions posed to the prospective juror, which may include consideration of whether the party exercising the peremptory challenge failed to question the prospective juror about the alleged concern or the type of questions asked about it; (b) whether the party exercising the peremptory challenge asked significantly more questions or different questions of minority jurors than other jurors; and (c) whether other prospective jurors provided similar answers but were not the subject of a peremptory challenge by that party.

[4] Because historically the following reasons proffered for peremptory challenges have operated to exclude racial and ethnic minorities from serving on juries in Washington, there is a presumption that the following are invalid reasons for a peremptory challenge: (a) having prior contact with law enforcement officers; (b) expressing a distrust of law enforcement or a belief that law enforcement officers engage in racial profiling; (c) having a close relationship with people who have been stopped, arrested, or convicted of a crime; (d) living in a high-crime neighborhood; (e) having a child outside of marriage; (f) receiving state benefits; and (g) not being a native English speaker.

[5] The following reasons proffered for peremptory challenges also have historically been used to perpetuate exclusion of minority jurors: allegations that the prospective juror was sleeping, inattentive, staring or failing to make eye contact, exhibited a problematic attitude, body language, or demeanor, or provided unintelligent or confused answers. If any party intends to offer one of those reasons or reasons similar to them as the justification for a peremptory challenge, that party must provide

reasonable notice to the court and the opposing party so the behavior can be verified and addressed in a timely manner. A lack of corroborating evidence observed by the judge or opposing counsel verifying the behavior in issue shall be considered strongly probative that the reasons proffered for the peremptory challenge are invalid.

D. Standing Committee Reports

There were no Standing Committee reports.

E. Trial Court Advocacy Board (TCAB) Update

Mr. Ramsey Radwan, AOC Management Services Division (MSD) Director, asked TCAB members to weigh in on Board for Judicial Administration (BJA) items. TCAB members were encouraged that each association was asked to weigh in on the budget. The group discussed its priorities, which include more court funding. Judge Marinella informed that he has been tasked with putting together a history of Senate Bill (SB) 5454, *Revising trial court funding provisions*, that will be used as leverage for funding request presentations.

F. Judicial Information System Committee (JISC) Report

Judge Marinella reported that the courts of limited jurisdiction case management system (CLJ-CMS) Project is on course and moving forward. An independent quality assurance contractor and special assistant attorney general (SAAG) have been hired for the Project. Judge Marinella added that adequate funding for the Project will be the biggest hurdle in the next legislative biennium. The Legislature must approve sixteen million dollars in order to fund the Project. For this reason, Judge Marinella encouraged Board members to speak with their legislators regarding how important this Project is for courts of limited jurisdiction. The current case management system is more than thirty years old. Judge Marinella further informed that the issue regarding electronic filing has been taken off the list of JISC priorities.

G. Judicial Information System (JIS) Report

Ms. Cullinane informed that she had nothing additional to report regarding the JIS.

**LIAISON REPORTS**

A. Board for Judicial Administration (BJA)

Judge Ringus reported that the BJA met on May 20, 2016. During the meeting, Mr. Ramsey Radwan, MSD Director, provided a judicial revenue update. Judge Garrow presented five strategic issue management initiatives that were developed by the BJA Policy and Planning Committee. Mr. Eric Johnson, Washington State Association of Counties (WSAC), discussed WSAC's legislative agenda and financial needs. A discussion was had about the BJA's level of involvement in the hiring of the Associate Director, Office of Judicial and Legislative Relations position.

B. Administrative Office of the Courts (AOC)

Mr. Marler reported that the Superior Court Case Management System (SC-CMS) Project has been a success thus far. The success of the SC-CMS Project will likely encourage the Legislature to fund the CLJ-CMS Project. Mr. Marler encouraged Board members to speak with legislators about the case management system needs for courts of limited jurisdiction. He added that thirteen million dollars is likely to be requested for the CLJ-CMS Project. Materials, such as talking points, will be provided to DMCJA members interested in speaking with their legislators about funding the CLJ-CMS Project.

**ACTION**

*A. Whether to adopt the DMCJA Rules Committee's Recommendation regarding ACLU's Proposed Amendments to General Rule 35, Jury Selection*

M/S/P not to endorse the proposed General Rule (GR) 35, *Jury Selection*, but instead to offer assistance in reforming the rule. The Board further voted to invite both the DMCJA Rules Committee and Mr. Mungia to the September 11, 2016 DMCJA Board meeting. The issue relates to an American Civil Liberties Union (ACLU) proposed amendment to GR 35 regarding peremptory challenges. Specifically, the amendment addresses potential bias in peremptory juror exclusions. The DMCJA Rules Committee recommended that the Board not

endorse the ACLU's proposed Rule because the Washington Supreme Court is continuing to closely review this important area of law.

B. *DMCJA Board Meeting Schedule: Should the Board meet in the month of July?*

M/S/P not to have a Board meeting in the month of July.

C. *Washington Pattern Jury Instruction Committee – Should the current DMCJA representative be nominated to the Supreme Court without opening the process to other DMCJA members?*

M/S/P to nominate Judge Harper to be a representative on the Washington Pattern Jury Instruction (WPI) Committee for an additional four-year term. The position will be announced to the entire membership in order to provide all DMCJA members an opportunity to serve on the Committee. All applicants, including nominee Judge Ann Harper, will be submitted to the Supreme Court for consideration.

## DISCUSSION

A. *Washington Pattern Jury Instruction Committee – Should the current DMCJA representative be nominated to the Supreme Court without opening the process to other DMCJA members?*

Judge Steiner informed that Judge Anne Harper, King County District Court, has served a four-year term on the WPI Committee that is set to expire in July 2016. The WPI sent a letter to Judge Steiner, DMCJA President, requesting that the DMCJA nominate Judge Harper to serve another four-year term on the Committee. Multiple terms are encouraged because there is a steep learning curve for new members and Judge Harper has expressed her willingness to continue her service on the Committee for an additional term, according to the WPI letter. This Committee meets on Saturdays.

M/S/P to make this an action item.

B. *DMCJA Board Meeting Schedule: Should the Board meet in the month of July?*

The Board discussed whether to meet on July 8, 2016 since many members will be on vacation during the month of July.

M/S/P to make this an action item.

## INFORMATION

Judge Steiner thanked Judges Charles Short and Rebecca Robertson for their service as DMCJA Board Members. He further thanked Judges Michael Lambo and Kevin Ringus for their service on the BJA. Judge Steiner then recognized Judge David Svaren for his long-term service as DMCJA Past President.

## OTHER BUSINESS

Judge Steiner informed that the new Board dinner will be held on June 7, 2016, 6:00 p.m., at the hotel restaurant.

N:\Programs & Organizations\DMCJA\Committees\Nominating\Meeting Materials\SLATE 17-18.docx

The Western District of Washington’s bench and bar have long-standing commitments to a fair and unbiased judicial process. As a result, the emerging social and neuroscience research regarding unconscious bias prompted the Court to create a bench-bar-academic committee to explore the issue in the context of the jury system and to develop and offer tools to address it.

One tool the committee developed was a set of jury instructions that address the issue of unconscious bias. Research regarding the efficacy of jury instructions is still young and some of the literature has raised questions whether highlighting the notion of unconscious bias would do more harm than good.<sup>1</sup> However, the body of research supports that, as a general matter, awareness and mindfulness about one’s own unconscious associations are important and thus a decision-maker’s ability to avoid these associations, however that is achieved, will likely result in fairer decisions.<sup>2</sup>

Accordingly, the proposed instructions are intended to alert the jury to the concept of unconscious bias and then to instruct the jury in a straightforward way not to use bias, including unconscious bias, in its evaluation of information and credibility and in its decision-making. The instructions thus serve the purposes of raising awareness to the associations jurors may be making without express knowledge and directing the jurors to avoid using these associations.

The committee has incorporated unconscious bias language into a preliminary instruction, into the witness credibility instruction, and into a closing instruction.<sup>3</sup> In addition, the committee has developed an instruction that can be given before jury selection if the parties are going to ask questions during *voir dire* regarding bias, including unconscious bias.

<sup>3</sup> The committee suggests introducing the topic as part of the preliminary instructions as there is research that suggests priming jurors may be more effective than waiting until the end of a case. See, e.g., Lisa Kern Griffin, Narrative, Truth, and Trial, 101 GEO. L.J. 281, 232 (2013); Kurt Hugenberg, Jennifer Miller & Heather M. Claypool, Categorization and Individuation in the Cross-Race Recognition Deficit: Toward a Solution to an Insidious Problem, 43 J. EXPERIMENTAL SOC. PSYCH. 334 (2007) (finding that warnings given ahead of time about likely misperceptions of other race faces may be effective).

**PRELIMINARY INSTRUCTION TO BE GIVEN  
TO THE ENTIRE PANEL BEFORE JURY SELECTION**

It is important that you discharge your duties without discrimination, meaning that bias regarding the race, color, religious beliefs, national origin, sexual preference, or gender of the [plaintiff,] defendant, any witnesses, and the lawyers should play no part in the exercise of your judgment throughout the trial.

Accordingly, during this voir dire and jury selection process, I [the lawyers] may ask questions [or use demonstrative aids] related to the issues of bias and unconscious bias.

**PRELIMINARY INSTRUCTIONS TO BE GIVEN  
BEFORE OPENING STATEMENTS**

**DUTY OF JURY**

Jurors: You now are the jury in this case, and I want to take a few minutes to tell you something about your duties as jurors and to give you some preliminary instructions. At the end of the trial I will give you more detailed [written] instructions that will control your deliberations. When you deliberate, it will be your duty to weigh and to evaluate all the evidence received in the case and, in that process, to decide the facts. To the facts as you find them, you will apply the law as I give it to you, whether you agree with the law or not. You must decide the case solely on the evidence and the law before you and must not be influenced by any personal likes or dislikes, opinions, prejudices, sympathy, or biases, including unconscious bias. Unconscious biases are stereotypes, attitudes, or preferences that people may consciously reject but may be expressed without conscious awareness, control, or intention.<sup>1</sup> Like conscious bias, unconscious bias, too, can affect how we evaluate information and make decisions.<sup>2</sup>

In addition, please do not take anything I may say or do during the trial as indicating what I think of the evidence or what your verdict should be—that is entirely up to you.

## **CREDIBILITY OF WITNESSES**

In deciding the facts in this case, you may have to decide which testimony to believe and which testimony not to believe. You may believe everything a witness says, or part of it, or none of it.

In considering the testimony of any witness, you may take into account:

- (1) the witness's opportunity and ability to see or hear or know the things testified to;
- (2) the witness's memory;
- (3) the witness's manner while testifying;
- (4) the witness's interest in the outcome of the case, if any;
- (5) the witness's bias or prejudice, if any;
- (6) whether other evidence contradicted the witness's testimony;
- (7) the reasonableness of the witness's testimony in light of all the evidence; and
- (8) any other factors that bear on believability.

You must avoid bias, conscious or unconscious, based on the witness's race, color, religious beliefs, national origin, sexual preference, or gender in your determination of credibility.

The weight of the evidence as to a fact does not necessarily depend on the number of witnesses who testify about it.

**CrRLJ 3.2**  
**RELEASE OF ACCUSED**

If the court does not find, or a court has not previously found, probable cause, the accused shall be released without conditions.

**(a) Presumption of Release in Noncapital Cases.** Any person, other than a person charged with a capital offense, shall at the preliminary appearance or reappearance pursuant to rule 3.2.1 be ordered released on the accused's personal recognizance pending trial unless:

- (1) The court determines that such recognizance will not reasonably assure the accused's appearance, when required, or
- (2) There is shown a likely danger that the accused:
  - (a) will commit a violent crime, or
  - (b) will seek to intimidate witnesses, or otherwise unlawfully interfere with the administration of justice.

For the purpose of this rule, "violent crimes" may include misdemeanors and gross misdemeanors and are not limited to crimes defined as violent offenses in RCW 9.94A.030.

In making the determination herein, the court shall, on the available information, consider the relevant facts including, but not limited to, those in subsections (c) and (e) of this rule.

**(b) Showing of Likely Failure to Appear—Least Restrictive Conditions of Release.** If the court determines that the accused is not likely to appear if released on personal recognizance, the court shall impose the least restrictive of the following conditions that will reasonably assure that the accused will be present for later hearings, or, if no single condition gives that assurance, any combination of the following conditions:

- (1) Place the accused in the custody of a designated person or organization agreeing to supervise the accused;
- (2) Place restrictions on the travel, association, or place of abode of the accused during the period of release;
- (3) Require the execution of an unsecured bond in a specified amount;
- (4) Require the execution of a bond in a specified amount and the deposit in the registry of the court in cash or other security as directed, of a sum not to exceed 10 percent of the amount of the bond, such deposit to be returned upon the performance of the conditions of release or forfeited for violation of any condition of release; If this requirement is imposed, the court must also authorize a surety bond under section (b)(5);

- (5) Require the execution of a bond with sufficient solvent sureties or the deposit of cash in lieu thereof;
- (6) Require the accused to return to custody during specified hours or to be placed on electronic monitoring, if available; or
- (7) Impose any condition other than detention deemed reasonably necessary to assure appearance as required.

A court of limited jurisdiction may adopt a bail schedule for persons who have been arrested on probable cause but have not yet made a preliminary appearance before a judicial officer. The adoption of such a schedule or whether to adopt a schedule, is in the discretion of each court of limited jurisdiction, and may be adopted by majority vote. Bail schedules are not subject to GR 7. The supreme court may adopt a uniform bail schedule as an appendix to these rules.

If the court determines that the accused must post a secured or unsecured bond, the court shall consider, on the available information, the accused's financial resources for the purposes of setting a bond that will reasonably assure the accused's appearance.
