

TRAINING OPPORTUNITY – SAVE THE DATE!

## Whatcom County Superior Court

Annual Recertification Training: Title 11 Guardians ad Litem  
June 17, 2011

### Invitation to Participate:

Title 11 Guardianship Guardians ad Litem on court registries in **Island, San Juan, Skagit and Whatcom Counties** are invited to receive their statutorily mandated annual recertification training in Bellingham on Friday, June 17, 2011. Certified Professional Guardians residing in those counties are also invited to participate. It is anticipated that applications for CLE/Ethics credit from the State Bar Association and AOC for Certified Professional Guardians, for 6.5 hours, will be submitted.

### Date/Time/Location:

The training will commence promptly at 8:00 am and will conclude at 4:00 pm on Friday, June 17, 2011, in Bellingham. The training will be conducted at the Port of Bellingham Squalicum Harbor "Boathouse" Facility. There is ample free parking. Directions are printed below.

### Agenda, Registration & Cost:

The agenda is being developed. We are studying your feedback from prior training, studying the draft recommendations for changes to the statewide initial and refresher training, as well as trying to capture known "hot topics."

The cost is yet to be determined. We have a county budget mandate to cover our costs. Costs include facility rental, catering and training materials. We have never had to pay a presenter and hope to maintain that record. Once we have a better idea of current costs we'll distribute a registration form with a stated registration fee. Last year the fee was \$85 and we came within \$134 of recouping our costs. While we don't yet have quotes on the facility fee or catering, it's safe to assume that the cost will be similar and not in excess of \$100.
