Subject: Proposed rules GR 34 and GR 43

Camilla,

I am submitting my comments regarding the proposed rules, GR 34 and GR 43. I work with low income families through the Bellingham Public Schools and I believe that these proposed rule changes will help provide access to the judicial system for low income people. I also believe that GR 34 would be much better if it were to provide for a full waiver of all fees for those people below the poverty guidelines. Both of these proposed changes would benefit low income individuals and families and allow them to have access to much deserved help, especially when obtaining the necessary fees are next to impossible.

I appreciate your taking comments on these important issues.

Sincerely,
Mary Landis
