Subject: Family Law Legal Technicians

Hi,
I wanted to voice my objection to having legal technicians allowed to perform family law in Washington. I do not see how a family law technician charging the same amount as an attorney would better the system. I spent a great deal of time and money to pursue a legal career and am held to a high standard of professionalism due to my law degree and bar admittance. I am against having legal technicians perform family law.

Mary K Henderson, PLLC
Attorney at Law
901 S 3rd St.
Renton, WA 98157
