May it please the Court-

I am a 30 year criminal defense attorney practicing in Pullman. I support proposed CrR 4.11 that would permit the recording of witness interviews. I have read the comments by the WSBA Board of Governors found here [http://www.courts.wa.gov/court\\_rules/?fa=court\\_rules.proposedRuleDisplay&ruleId=239](http://www.courts.wa.gov/court_rules/?fa=court_rules.proposedRuleDisplay&ruleId=239) and find the Board's comments thoughtful and precise. I adopt them as my own in despair of being able to write as well or as clearly here. I urge you to enact new CrR 4.11.

Respectfully,

Mike Pettit
