**Subject:** GR 12.1

The proposed modifications to GR12.1 are disconcerting for a number of reasons. It appears to be an improper use of rule change to accomplish a purpose in contradiction to the establishment by RCW of the WSBA, a required membership for all admitted to the practice of law in Washington. It is also a back-door to denying the membership the right to petition for redress of potentially wrongful decisions by the BOG. I cannot help but reflect on the reasons we became a nation. This proposal flies in the face of representative government.

Please, decline this proposal.

Respectfully submitted,

Vicki Lee Anne Parker,  
Attorney at Law
