Subject: Suggested Comment to RPC 4.4(a)

Dear Ms. Foster,

I submit this email in support of the suggested new comment for RPC 4.4(a) regarding immigration status. As an advocate, I have seen firsthand how unscrupulous attorneys have used or threatened to use immigration status to intimidate my clients and me. The result could be the undermining of a meritorious claim because of the unrelated issue of immigration status, in effect barring a class of people from our court system.

Because the suggested comment helps prevent that, it is a welcome change to the RPCs.

Thank you for your attention to this matter.

Best,
