Subject: FW: Sealing of court records

Please note that any pleading filed as an attachment to e-mail will be treated as the original. Therefore, if a filing is by e-mail attachment, it is not necessary to mail to the court the original of the document.

Subject: Sealing of court records

I am opposed to weakening of public access to court records or transactions. Transparency is vital for an informed citizenry. Secrecy does not serve the public good.

Thanks you for the opportunity to comment.
