Hi Mary:

Please post.

Thanks,  
Nan

Re: Court rule proposal to RPC 1.2

This proposal is identifying the proposition that the law is optional. Our governmental system actually includes a democratic process for changing or modifying the law. Non-enforcement of a law does not constitute a change in the law. Until that happens, this proposal is unacceptable and it is very worrisome that the courts would decide to disregard the law.

Respectfully submitted,

Vicki  
Vicki Lee Anne Parker,
