Subject: Comment on WSBA's Recommendation to Court re: Approved CLE Rules

Dear Ms. Triboulet: I support the WSBA's recommendations for proposed changes to the CLE rules to include:

(1) _Ethics and professional responsibility_, defined as topics relating to the general subject of professional responsibility and conduct standards for lawyers and judges, including diversity and anti-bias with respect to the practice of law or the legal system, and the risks to ethical practice associated with diagnosable mental health conditions, addictive behavior, and stress;

(2) _Professional development_, defined as subjects that enhance or develop a lawyer's professional skills including effective lawyering, leadership, career development, communication, and presentation skills;

(3) _Personal development and mental health_, defined as subjects that enhance a lawyer's personal skills, well-being and awareness of mental health issues. This includes, stress management, and courses about, but not treatment for, anxiety, depression, substance abuse, suicide and addictive behaviors;"

Thank you. --Karen Gilbert
