Subject: proposed changes to CR 28(d), CR 28(e), and CR 30(b)(1)

My WSBA number is 6097. I support the proposed changes to CR 28(d), CR 28(e), and CR 30(b)(1) These changes seek to improve transparency and strengthen our current court rules that require equal terms for all parties in a case. I have personally experienced several instances where a large national companies has obtained a contract with an insurance company to do the reporting on all depositions, then the company charges the plaintiff an exorbitant amount for a copy of a deposition.
