PRE-TRIAL HEARINGS

1) Unless otherwise ordered by the court in a specific case for good cause, all cases in which a defendant enters a plea of not guilty shall be set for a pre-trial hearing.

2) (a) The pre-trial hearing shall provide an opportunity for negotiation between the parties. The parties shall confer in good faith regarding any agreed disposition prior to trial. The defendant shall be required to attend the pre-trial hearing unless excused by the court. Failure to attend may result in the issuance of a bench warrant and/or forfeiture of any bond/bail. In the event of a disposition, the parties shall execute the appropriate documents for the Judge to consider the matter on the record. Pre-trial hearings should be

held no later than 30 days after arraignment unless otherwise approved by the court.

(b) In cases which proceed to trial, the parties shall identify with specificity all motions and counsel may be required to articulate on the record the basis for any motion. All rulings made at the pre-trial hearing or subsequent motion hearing(s) shall be binding on the parties and shall not be relitigated at trial. Any motion not identified at pre-trial shall be deemed waived unless otherwise allowed by the court. Parties shall identify only those motions for which there is a good faith belief that the motion is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification or reversal of existing law. Parties shall comply with CrRLJ 3.6.

3) The court shall assign dates and give written notice to the parties for future motion hearings and trial at the time of the pre-trial conference and shall, in so far as is reasonably possible, schedule those hearings in consultation with both parties. This calendar will be held during the week approximately 1 week prior to the scheduled trial or as otherwise set by the court. The defendant shall be required to attend this hearing unless excused by the court. Failure to attend the jury call/readiness hearing may result in the issuance of a bench warrant and/or forfeiture of bond/bail.

(b) A request for a jury trial date constitutes an assurance that the parties will be ready to begin jury selection immediately on the morning of trial and submit jury instructions at the call of the jury calendar.

(c) At the conclusion of the readiness hearing, the court will no longer accept any plea bargaining arrangements. Therefore, the case will be tried by jury unless waived by the defendant, or concluded by a guilty plea to the original charge(s), or a dismissal of the charge(s). When a defendant enters a plea to an offense as charged after having confirmed for jury trial at the readiness hearing, the court shall assess jury costs in the amount of one hundred twenty-five dollars (\$125). LMCLR IR 6.2(b)
MONETARY PENALTY FOR UNSCHEDULED INFRACTIONS

The Administrative Office of the Courts (AOC) has interpreted School Zone Speeding pursuant to RCW 46.61.440, and Construction Zone Speeding pursuant to RCW 46.61.527 to be "unscheduled" infractions under IRLJ 6.2(b). On the assumption that this is a correct interpretation, the Municipal Court has by this rule established a local rule as permitted by IRLJ 6.2(b) to make the School Zone Speeding and Construction Zone Speeding penalties consistent with IRLJ 6.2(d) and the obvious intent of the legislature in adopting RCW 46.61.440(3) and RCW 46.61.527(3).

Pursuant to IRLJ 6.2(b) this rule adopts as the penalty for speeding in a school zone and speeding in a construction zone the monetary base penalty set for in IRLJ 6.2(d) for the relevant speed, but then doubled pursuant to RCW 46.61.440(3) and RCW 46.61.527(3). The base penalty, together with the statutory assessments may not be waived, reduced or suspended.

The fines are as set forth in the published JIS Law Table Update Bulletin distributed by the Administrative Office of the Courts 07/22/2007.

Speeding in a School Zone Penalty schedule

1-5 mph over limit	\$189
6-10 mph over limit	\$210
11-15 mph over limit	\$271
16-20 mph over limit	\$353
21-25 mph over limit	\$456

LMCLR AR1.1
APPEALS

Purpose: Certain statutes and ordinances vest the Municipal Court with the authority to hear appeals. This Rule sets forth the procedure for hearing and decision regarding such appeals. This Rule is intended to provide for the expeditious consideration of timely filed notices of appeal. Where such statutes and ordinances are silent, the Court interprets such statutes and ordinances to mandate no more than a due process hearing to guarantee the appellant a fair opportunity to understand the basis for the proposed action and offer argument against such action. The minimum due process hearing is therefore comparable to the brief adjudicative proceeding set forth in RCW 34.05.485.

1) Timeliness. The appeal must be filed with the Court and a copy filed with the City Attorney within the timeframe set forth by statute or ordinance, and accompanied by any applicable filing fee. An untimely appeal shall be dismissed summarily.

2) The notice of appeal must contain a short and plain statement of the basis of the appeal together with any documents, photographs, or other exhibits in support of the appeal. A notice of appeal which does not include a short and plain statement of the basis of the appeal shall not be accepted. The Court clerk will advise the appellant of the deficiency and require the appeal to be perfected within ten days. An incomplete notice of appeal will be summarily dismissed.

3) Upon receipt of a properly filed notice of appeal, the Court will set the matter for hearing on the next available contested infraction calendar. At the appeal hearing, the City and the Appellant will each be given five minutes to make an oral argument. No testimony will be received. Documents, photographs, affidavits, and other offers of proof may be submitted if they are filed with the Court and served on the opposing party no less than five days before the appeal hearing. Upon a showing of good cause, the Court may set the matter over for the taking of testimony or other evidence.

4) The Court may make an oral ruling at the close of oral argument, or may take the matter under advisement. If the matter is taken under advisement, the Court will issue a written decision or set the matter for further hearing within 30 days.

5) Rules of Discovery do not apply in these proceedings. Any party may make a request for discovery in the context of a request to continue the appeal hearing. Such request shall be made on the record with an offer of proof as to the need for discovery. No discovery shall be ordered and no continuance shall be granted in the absence of a showing that a denial would deny the moving party due process of law.

6) Monetary Judgment. Where authorized by statute or ordinance, the Court will award monetary recoveries and costs upon timely application of a prevailing party. The parties shall note at the hearing whether they intend to seek a monetary recovery, and as part of its decision, the Court will make a determination whether such recoveries are allowed. In the event that such recoveries are awarded, and the prevailing party certifies that such recoveries have not been paid, the Court will certify the monetary award for enforcement as a civil judgment in accordance with RCW 3.66.020(10).
