

LAR 2.
COURT SCHEDULE - MOTIONS

Motions and other pre-trial proceedings will be scheduled for hearing on a Law and Motion Docket, unless by prior arrangement through the court administrator.

The calendar shall be prepared and published by the court administrator and the presiding judge or his/her designee-judge on a monthly basis for the ensuing six months, and shall be distributed to the attorneys in each county and made available to the public from the Clerks' offices for each of the three counties. The Law and Motion Days and times may be changed by the court administrator as needed to accommodate the judges' schedules, jury terms in each county, and caseload demands. Attorneys and parties are advised to consult the calendar, the County Clerk, or the court administrator to confirm Law and Motion Docket dates and times prior to noting a motion.

[Adopted September 1, 1991; amended effective September 1, 2004.]
