

JOINDER OF CLAIMS AND REMEDIES

(a) Joinder of Claims. A party asserting a claim to relief as an original claim, counterclaim, cross claim, or third party claim, may join, either as independent or as alternate claims, as many claims as the party has against an opposing party.

(b) Joinder of Remedies. Whenever a claim is one heretofore cognizable only after another claim has been prosecuted to a conclusion, the two claims may be joined in a single action; but the court shall grant relief in that action only in accordance with the relative substantive rights of the parties.
