

JISCR 4 BUDGETS

The Administrator for the Courts, under the direction of the Judicial Information System Committee, and with the approval of the Supreme Court, shall prepare funding requests for personnel, hardware, and software as required for a phased implementation of the Judicial Information System. Any budget requests prepared by the Administrator for the Courts shall address the issues of control and dissemination of data from court files, developmental and operational priorities, a clear definition of operational expenses and security, and privacy of information and facilities within the system.

[Adopted effective May 15, 1976.]
