PER CURIAM — Dori Gordon appeals trial court orders finding her daughters K.G. and M.G. dependent. The parties have stipulated that the trial court orders should be reversed and vacated and the matter remanded for a new dependency fact-finding hearing. We accept this stipulation. The parties also request that the matter be remanded for a hearing before a different judicial officer. On the record before us, we decline to consider the request. The parties should address all scheduling issues to the superior court following remand.

Reversed, vacated, and remanded for further proceedings.
