

ACQ-2014-0929-RFQQ
AMENDMENT NO. 1
April 30, 2014

This is an amendment to ACQ-2014-0929-RFP issued by the Administrative Office of the Courts on October 24, 2014 for the Appellate Courts IT Security Reviews & Assessments.

This RFQQ is amended as follows:

1.) RFQQ Section 1.17 - Vendor Interviews, is hereby replaced in its entirety as follows:

AOC will be holding mandatory interviews with Top Ranked Vendors. All Vendors offered an interview shall be provided a set of standard questions in advance of their scheduled interview. Vendor interviews shall also consist of specific questions unique to an individual Vendor requesting additional clarification regarding information provided in the Vendor's proposal.

Each interview will be limited to two (2) hours and consist of a brief presentation by the Vendor summarizing their Proposal followed by a discussion focused primarily on the Vendor's technical approach, and project delivery approach. *Both the Project Manager and Technical Security Lead proposed by Vendor must attend the scheduled interview, conduct the presentation, and lead the Vendor's portion of the discussion.* RFQQ Coordinator will contact the Vendor representative to schedule interviews per the date and time provided in the Acquisition Schedule provided in [Section 1.8](#).

Vendor presentation/interviews will be held onsite at AOC in Olympia, WA. There will be no exceptions. Upon notification as a Top Ranked Vendor selected to provide an interview, the [RFQQ Coordinator](#) will provide scheduling details to the Vendor's Authorized Representative.

2.) RFQQ Section 5.6 – DETAILED PROJECT PLAN (MS) is hereby replaced in entirety as follows:

Due to restrictions on project funding, AOC desires the project scope awarded under any contract to be completed as quickly as possible. Contracted Vendor's FINAL deliverable must be delivered to AOC no later than May 29, 2015.

Vendor must provide a detailed project work plan and schedule for this engagement (e.g., tasks of one [1] week durations or less). It must be presented in a Gantt chart format identifying when tasks are to be completed and when deliverables will be presented for Acceptance by Vendor to AOC.

3.) RFQQ Section 5.8.2 – INTERNAL PENETRATION TESTING ASSESSMENT (MS), Paragraph 1, is hereby replaced in its entirety as follows:

Vendor will required to simulate an attack originating from *within* AOC's network perimeter defenses with very little information provided by AOC itself. Vendor will be provided with no information regarding AOC systems present or technologies in use.

4.) RFQQ ATTACHMENT A – Draft Statement of Work is hereby replaced in its entirety with **RFQQ ATTACHMENT A-1 – Draft Statement of Work** which incorporates required modifications to **Section 3 - Scope of Work and Deliverables, Task 2.**

ALL OTHER TERMS AND CONDITIONS OF THIS RFP REMAIN IN FULL FORCE AND EFFECT.
