I am scared he will hurt me. Since I broke off our relationship, he has been
sending me over 20 messages each day. They started off with him saying he
was sorry and now are mean and threatening.

Why do you need a protection order? What happened? This is your statement, where you tell your experience.

Be as specific and descriptive as possible. Put the date, names, what happened and where. Use names rather than pronouns like "he" or "they" as much as possible. If you cannot remember the date, put the time of year it happened (around a holiday, winter, summer, how old your child was) or about how long ago.

For all of the questions below, include details:

- Who did what?
- When did this happen?
- How were any statements made? (in person, mail, text, phone, email, social media)
- How did this make you, the minor, or the vulnerable adult feel?

If you need more space to answer any of the questions below, use form DVSTMT Statement or attach additional pages.

17. Most Recent Incident. What happened most recently that made you want a protection order? When did this happen? What did the restrained person do or say in that incident? This could include violent acts, fear or threats of violence, nonconsensual sexual conduct or nonconsensual sexual penetration, sexual abuse, harassment, stalking, hate crimes, and incidents or threats involving a vulnerable adult of abandonment, abuse, neglect and/or financial exploitation. Include details.

I met Ralph last summer when he came to stay with his cousin in Bridgeport. By the end of the summer, we were dating, but he had to go back to Leavenworth to finish his senior year of high school. We decided to try long-distance. It was okay for awhile, but I broke it off because I felt like I was spending too much time on the phone, computer, and other devices waiting for him to call me instead of living my life. After we broke up, he started sending me about messages every day about how he was sorry and that he'd do anything to get back together with me. When I told him I did not want to get back together, he told me he would rather die than not be with me. I stopped responding. He then started calling me horrible names by text message and on my Facebook page. Last week he came to Bridgeport to visit his family and while he was in town sent me a picture of a knife with my initials on it.

18.	<b>Past Incidents.</b> What happened in the past that makes you want a protection order? When did this happen? This could include violent acts, fear or threats of violence, nonconsensual sexual conduct or nonconsensual sexual penetration, sexual abuse, harassment, stalking, hate crimes, and incidents or threats involving a vulnerable adult of abandonment, abuse, neglect and/or financial exploitation. Include details.
