## II. Findings

### ***The Court Finds:***

#### 2.1 Notice to the parties.

- The parties were served notice of the motion.
- The person requesting access was unable to locate \_\_\_\_\_, and the court found that further good faith efforts to locate the party were not likely to be successful. The court waives the notice requirements.

#### 2.2 Findings regarding public and private interests.

- The order should not be granted because:
  - The court finds that the public interests in granting access do not outweigh the privacy and safety interests of the parties or the dependent children.
  - The court finds that the personal interests of the person seeking access do not outweigh the privacy and safety interests of the parties or the dependent children.
- The order should be granted because:
  - The court finds that the public interests in granting access do outweigh the privacy and safety interests of the parties or the dependent children.
  - The court finds that the personal interests of the person seeking access do outweigh the privacy and safety interests of the parties or the dependent children.
