Superior Court Glossary

This glossary is included to assist in understanding the caseload measures presented in this report.

Case Type Reporting Categories

Criminal and Juvenile Offender Filings

Criminal and juvenile offender filings are categorized by the primary (i.e., most serious) original charge against the defendant in the following order: homicide, sex crimes, robbery, assault, theft/burglary, motor vehicle theft, controlled substances, other felony, and misdemeanors. Other filing categories include appeals from lower courts and "non-charge" matters.

Homicide - Cases where the primary charge involves murder, manslaughter, excusable homicide, or justifiable homicide.

Sex Crimes - Cases where the primary charge involves sexual exploitation of a minor, incest, rape, statutory rape, or indecent liberties.

Robbery - Cases where the primary charge involves theft of property by the use of force, violence, or fear of injury to a person or his or her property.

Assault - Cases where the primary charge involves assault or intent to cause another person physical harm, including malicious harassment and coercion.

Filings

A filing is the initiation of a case in court by formal submission to the court of a document alleging the facts of a matter and requesting relief.

A separate case filing occurs for each criminal and juvenile offender defendant. For a non-criminal case, a separate filing is reported for each complaint or petition filed.

Each unique mental illness/alcohol case number is reported as a single filing, no matter how many subsequent petitions are filed during the life of a case. A case reopened for subsequent adjudication after the initial judgment is not considered a new filing unless a new case number is assigned.

Ex Parte Actions

An ex parte action is a judicial action on the behalf of one party, without notice to or contestation by any person adversely interested. Such an action may take place on or off the bench, and does not necessarily result in a signed order. **Note: In order for this workload item to be included in caseload statistics, the judicial officer needs to complete a transaction slip. At local option, this step may be eliminated.**

For criminal and juvenile offender cases, ex parte actions are recorded in the offense reporting category that corresponds to the most serious charge current at the time of the action.

Proceedings Held

A proceeding is a matter held in open court with at least one of the parties present in a case or non-charge matter. Trials and adjudicatory hearings are contested proceedings conducted by a judge to determine the guilt or innocence of the defendant in criminal and juvenile offender cases, or to resolve the issues of a case in non-criminal cases.

For any case, a single session of the court can result in one or more proceedings, except during trials. Any given type of proceeding that occurs during a single court session will only be counted once (e.g., despite numerous motions made to the court, only one motion hearing is counted).

For criminal and juvenile offender cases, proceedings are counted in the offense category that corresponds to the primary charge the day prior to the date on which the proceeding was held. Non-criminal case proceedings are counted in the category in which the case is filed.

A canceled proceeding is one removed from the court calendar by a non-judicial officer and not recorded on a calendar to take place at another date. A stricken or canceled proceeding is only an instance where a proceeding is set for a specific date and stricken or canceled before that scheduled commencement.

For criminal and juvenile offender cases, proceedings stricken or canceled are recorded in the offense reporting category that corresponds to the most serious charge current on the day the proceeding was stricken or canceled.

Original Counts Filed

This statistical reporting category classifies every charge and count on the original information filed using the offense reporting categories. These charges and counts are reported in the month in which they are filed.

Final Counts Resolved

This statistical reporting category classifies every charge and count on the final information filed using the offense reporting categories. These charges and counts are reported in the month in which the case is resolved. Only those charges with result codes on the final information filed will be included in caseload statistics.

Acquitted/Not Guilty - Final counts for which a defendant or respondent has been acquitted or found not guilty.

Cases Resolved

Resolution signifies that a case has been tried, settled, or otherwise concluded. It occurs when a judicial decision has been rendered or when a case has been transferred to another jurisdiction for subsequent adjudication. In some instances a case can be "completed" (i.e., the dispositive case documents filed with the clerk for the legal record) at the point of case resolution; however, a case can never be completed prior to resolution. For mental illness and alcohol cases, resolution occurs at the adjudication of the first commitment petition filed in a case other than the initial petition for detention.

Each case results in only one resolution, reflecting the extent to which court resources were involved. For criminal and juvenile offender cases the resolution is listed in the reporting category corresponding to the most serious charge obtaining a conviction or, where no conviction was obtained, to the charge which involved the greatest amount of court resources to obtain a resolution. Non-criminal case resolutions are based on the extent of court resources needed to obtain a resolution.

Also includes the resolution of a case (1) that has been consolidated into another case for all subsequent adjudication, or (2) prior to a signed commitment order where dispositive documents not requiring a judge's signature have been filed.

1 Pursuant to Chapter 53 Laws of 2003 (SB 5758 - effective July 1, 2004), technical (non-substantive) revisions were made to the criminal statutes of Washington State. In conjunction with this recodification, statistical categorization of criminal cases was revised. Charges based on statutes that cite both felony and gross-misdemeanor/misdemeanor charging options were previously categorized as felonies. Beginning with January 2004 figures, these are categorized for statistical purposes as gross-misdemeanors/misdemeanors.

2 A non-charge case is one opened for which no formal charges have been filed, such as for conducting one or more preliminary appearances prior to the filing of an information. If an information is subsequently filed, the case is counted as a criminal case as of the date the information is filed.

1 Pursuant to Chapter 53 Laws of 2003 (SB 5758 - effective July 1, 2004), technical (non-substantive) revisions were made to the criminal statutes of Washington State. In conjunction with this recodification, statistical categorization of criminal cases was revised. Charges based on statutes that cite both felony and gross-misdemeanor/misdemeanor charging options were previously categorized as felonies. Beginning with January 2004 figures, these are categorized for statistical purposes as gross-misdemeanors/misdemeanors.

2 A non-charge case is one opened for which no formal charges have been filed, such as for conducting one or more preliminary appearances prior to the filing of an information. If an information is subsequently filed, the case is counted as a juvenile offender case as of the date the information is filed.
