I, Ashley Alexander, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I was at a red light and Whalen was behind me a nother cop car came on the side of me they walked up to my car a man + a woman. the man officer was yelling saying get out of the fucking car. I was unsure of why they wanted me out so I asked. then I got out the male officer say put your hands and feet on the hood so I did. The male officer was on my right side and Whalen was on my left side. the man for some reason

Additional Ground 2

grabbed my ~~arm~~ arm and try to take me down. He then hit me in my face, during the struggle with him the top part of my body was bend over in me, trying to keep my self from him my left leg went up in the air and Whalen was there and that is how I ended up kicking her. The male officer gave me a black's eye and also busted my nose. I have pictures.

If there are additional grounds, a brief summary is attached to this statement.
