I, Calvin Williams, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

That I have the right to face my accuser. The 6th Amendment
I was never pointed out ONE time in trial by the victim.

Additional Ground 2

I did not a jury of my Peers they were all over
40 except 1 so they had Grand kids of the victim age
so there is no way they would've not been equal

If there are additional grounds, a brief summary is attached to this statement.

Just want to add that my lawyer did not Ask Question I asked
him to ask. Like in the Police report the victim states a girl answered
me don't I tell her to leave but also in the report she says she learned
How to play a game called "Road Kill" I told him to address some
other issues yet he would not. He never had no Professor Get on
The stand to counter attack statement given ~~with~~ ^{with} I asked
for and so forth I asked him to get proof of the Bus times/Routes
but he did not do it till the Day in trial only to be knocked
out as it's not up to date of Bus times/Routes changes so it is
not relevant. He never gave me a Mental Health evaluation
and so forth. Never asked or motioned for my case to be dismissed after Prosecution
rested because I was not identified.
