STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW  
RAP 10 10

I, Joseph Steen, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Ineffective Counsel - My trial attorney prejudiced me at trial by bringing up my past convictions. Even after I asked him not to, and I even had him file a motion of limine saying I wouldn't get a fair trial if it was brought at trial.

Additional Ground 2

Ineffective counsel - my trial lawyer never brought up at trial that my pants were seized, sent to the crime lab for analysis, and came back clean.

Additional Ground 3

The prosecutor has continually said I was charged and convicted of Indecent Liberties. That is not true.

Additional Ground 4

Ineffective counsel - My trial lawyer continually told me that I didn't have to file a motion to excuse Judge McCauley from being my Judge. Judge McCauley was biased because he was my Judge in other matters. My lawyer told me I didn't have to worry about that because Judge Foscoe would be my Judge. But, on the day of trial, my lawyer informed me Judge Foscoe got caught in a snow storm and couldn't make it.

If there are additional grounds, a brief summary is attached to this statement.
