Sub Additional grounds.

I received my form which was very confusing. I do not know which are legal grounds. I tried to call but of course your office won't except the call. I need to talk to someone to get help. The form you sent was very short. The instructions not very clear it states I have 30 days but the envelope says 10 days which is it? I don't know how I would request Additional Briefing from Counsel you gave me very little space to write in.

hope my statement helps in some way Thank you
