STATEMENT OF ADDITIONAL  
GROUND FOR REVIEW

I, Rickey F. Turner, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Did the prosecutor threaten, intimidate, manipulate or use some manner to cause states witnesses to change their testimony from the first day of trial to the 2<sup>nd</sup> day of trial. The 1<sup>st</sup> day they were not scared for their lives but, the 2<sup>nd</sup> day of trial they testify to be scared for their lives. Totally the opposit. It was brought out in trial that States witness Tracy Foster had a rock in his hand and threatened to cave my head in with it. There were never any Charges filed against Tracy Foster.

Additional Ground 2

Was there ever an affidavit of Probable Cause pertaining to this case. I do not recall ever seeing one. I would like to see this and have it veiwed.

If there are additional grounds, a brief summary is attached to this statement.
