STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Robert J. Preston, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

I would like to withdraw my plea then, I would like to specifically enforce the terms of my plea agreement and be able to argue for my Dosa sentence, in front of a different judge without arguments from the prosecutor, on a contract agreement she agreed to at my plea court appearance, but argued against a sentencing court once she got her plea. By doing this she breached her plea agreement and promised on thing to get a conviction and did another once she had her conviction. I would like her held to plea agreement.

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.
