I, Greg Hopkins, have received and reviewed the opening brief prepared by my attorney by my attorney. Summarized below are the additional grounds for review that not addressed in the brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

No Omnibus Hearing.

Additional Ground 2  
Speedy Trial Rights

Right to speedy trial was denied against my wishes.

Shown on the continuing trial forms dated the 26th of June '08 and the 28th of May '08

The first shows a case age of 71 days, and I objected to the continuance & refused to sign. The second shows a case age of 100 days, and I objected & refused to sign.

Court could not respond due to the fact that ~~#~~ exhibit 14 was not argued or objected to when admitted into evidence. Court obviously had an opinion, but could not comment directly.

Additional Ground 4  
Ineffective Counsel

Counsel Refused my wishes numerous times.

He would not:

A.) subpoena the second officer to testify - relating to the credibility of officer whelan's testimony.

B.) subpoena an independant electrician to evaluate exhibit #14.

- C.) Send an investigator to the scene to take pictures of the areas involved to better explain the circumstances of my presence & actions in the Marina
- D.) bring up the lack of evidence of the "coil of wire" from which Exhibit # 14 was allegedly cut.

- Council would not object to:

A.) chain of custody being broken (VCP.)

Page # 121 line 11-15.

B.) admitting the testimony of officer Randy Burtfield - He was the second Jail I was taken to, and of course I had no money as I had been searched & property removed before I got there (VCP.)
