 GROUNDS FOR REVIEW

 STATE OF WASHINGTON  
 COURT OF APPEALS  
 DIVISION II  
 BY \_\_\_\_\_  
 DEPUTY CLERK

I, Robert M DobyNS, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The juror on the far left end of the front row kept sleeping during the trial.

Additional Ground 2

The jury foreman's wife worked for the prosecutors office. She sat in the back of the court room during the trial. During a lunch break at a local restaurant, they were overheard discussing the trial. She was later told not to come back to watch the trial.

If there are additional grounds, a brief summary is attached to this statement.
