COURT OF APPEALS
DIVISION TWO

I, Leif Ecklund, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

when officer Graseth searched for the paraphernalia I was present but he asked my father for permission to search further not me, and silence doesn't mean consent (pipes, seeds, scale, etc)

Additional Ground 2

Intent to deliver implies that there was going to be marijuana sold. I had told the officer it was personal use only. ~~the~~ officer Graseth testified that himself. ~~that~~

If there are additional grounds, a brief summary is attached to this statement.
