CLERK

I, Michael Duane Johnson have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Due to the fact Key Personal Kester and Estrada were unavailable for testimony but their evidence was used in front of the jury. Kester a former St. Josephs employee and Estrada a former toxicology lab employee prevented me from getting a fair trial. Their testimony may have proved that the test samples were tainted at the time of blood draw and original analytical testing. Thus violating my right to a fair trial.

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.
