

To whom it may concern,

9/16/10

I have written a statement for you to present.

My statement is that I wish to say that I am innocent of any wrongful actions that I have been accused of. Infact I have not committed any wrongful actions against the law except minor things like traffic infractions etc.. So I plead not guilty. I would like my character witnesses to be considered very greatly. So they would be used a second time.
