 No. 44724-0-II BY DEPUTY
 STATEMENT OF ADDITIONAL
 GROUNDS FOR REVIEW

I, Teresa Moody, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

To my knowledge my defense attorney was not qualified to take my case, This was and is a serious and delicate case. The defense attorney specialized in real estate cases not Criminal Law. which in turn he did what the Prosecutor wanted him to do. He refused to listen to anything I had to say and said so when the case was lost. He held back evidence from the jury and courts and myself. He had medical records he would not use. He advised me not to go on the stand because I was pretty.

Additional Ground 2

So in reviewing everything it only shows he is an amateur in cross examinations. (etc.) The case happen at a Bank. I asked him to get the video as (all Banks have cameras) He never talked to me until we set trial. I went to his office twice and to no avail I never seen him. He also told me assault 3° was a strike. I find this to be inaccurate and untrue. I am requesting this case be set for another trial date and see to it that it may be over turned.

If there are additional grounds, a brief summary is attached to this statement.
