ERIC SHERIDAN FLINT,

Petitioner.

RESPONSE OF THE  
DEPARTMENT OF  
CORRECTIONS

Respondent, the Department of Corrections (DOC), by and through its attorneys, ROBERT M. MCKENNA, Attorney General, and DONNA H. MULLEN, Assistant Attorney General, respectfully submits this response to Mr. Flint's personal restraint petition pursuant to RAP 16.9.

**I. BASIS OF CUSTODY**

Mr. Flint is in the custody of the Washington Department of Corrections pursuant to Kitsap County convictions for First Degree Robbery (Count 1) and Possession of a Controlled Substance (Methamphetamine) (Count 2). Exhibit 1, Declaration of Laura Ambrosch, Attachment 1 at 1. The court sentenced Mr. Flint to 100 months total confinement on Count 1 and to 14 months total confinement on Count 2. Id. at 2. Additionally, he was sentenced to a term of community custody for a range of 18 to 36 months. Id. at 3.

///

///

ORIGINAL

Due to community custody violations, Mr. Flint was returned to prison to serve the remainder of his sentence. His current Planned Release Date is November 13, 2010. Exhibit B, Declaration of Dawn Walker, Attachment A at 1.

## **II. STATEMENT OF THE CASE**

In 2002, Mr. Flint was found guilty by plea of Robbery in the First Degree and Possession of a Controlled Substance (Methamphetamine). Exhibit 1, Attachment A at 1. The court imposed a sentence of 100 months total confinement for the First Degree Robbery conviction and 14 months total confinement for the Possession of a Controlled Substance conviction. Id. at 2. An 18 to 36-month term of community custody was also imposed. Id. at 3.

Through the application of earned early release credits, Mr. Flint was released from his total confinement term on August 27, 2007. Exhibit 2, Attachment A at 17, movement entry dated 08/27/2007.

On April 2, 2008, a community custody violations hearing was held concerning Mr. Flint's alleged violations of his community custody conditions. Exhibit 2, Attachment B at 24, entry dated 04/02/2008. At the hearing Mr. Flint was found guilty of 1) failure to report since 2/26/08; 2) using a controlled substance, methamphetamine, on or about 2/26/08; 3) failure to obey all laws by rendering criminal assistance on 3/19/08; and 4)

contact with a known drug user on 3/19/08. Id. Mr. Flint was sanctioned to 14 days confinement with credit for time served since March 19, 2008 and was released that same day. Id.; Exhibit 2, Attachment A at 17, movement entry dated 04/02/2008.

On July 28, 2008, Mr. Flint signed a Stipulated Agreement admitting he was guilty of violating his community custody conditions by failing to report on July 21, 2008. Exhibit 2, Attachment B at 16, entry dated 07/28/2008. Mr. Flint agreed to a sanction of imposition of a curfew. Id.

On November 5, 2008, a second community custody violation hearing was held concerning Mr. Flint. He was found guilty of 1) failure to report on 9/15/08 and 2) failure to abide by UA/BA (urinalysis/blood alcohol) monitoring on 9/24/08. Id. at 9, entry dated 11/05/2008. Mr. Flint was sanctioned to 13 days in jail with credit for time served since October 24, 2008. Id. Mr. Flint was released on November 5, 2008. Exhibit 2, Attachment A at 17, movement entry dated 11/05/2008

On February 6, 2009, Mr. Flint signed a second Stipulated Agreement admitting he was guilty of violating his community custody conditions by using a controlled substance on January 7, 2009. Exhibit 2, Attachment B at 1, entry dated 03/17/2009. He was sanctioned to  
///

increased reporting, increased UAs, and to attend a drug support group weekly. Id.

On February 12, 2009, a third and final community custody violation hearing was held concerning Mr. Flint. Exhibit 1, Attachment B at 1. Mr. Flint was found guilty by admission of 1) failure to abide by UA/BA Monitoring on 1/21/09; 2) failure to attend Sober Support Group on 1/21/09; 3) failure to report on 1/28/09; and, 4) failure to obey all laws-Misdemeanor-Possession of Drug Paraphernalia on 2/4/09. Id. at 2. He was sanctioned to total confinement for the remainder of his prison sentence, 647 days. Id. at 6; Exhibit 2, Attachment B at 2, entry dated 02/13/09 and 02/20/2009.

Mr. Flint appealed the hearing officer's decision to the Regional Appeals Panel stating that the sanction imposed was unreasonable. Exhibit 1, Attachment C. The Regional Appeals Panel affirmed the hearing officer's decision. Exhibit 1, Attachment D at 1.

In this personal restraint petition, Mr. Flint alleges that the DOC did not have the authority to revoke his earned time and to sanction him to total confinement for the remaining portion of his prison sentence. However, under RCW 9.94A.737, the DOC is required to return offenders to serve his/her remaining confinement sentence at his/her third community custody violations hearing.

Mr. Flint's petition should be dismissed.

### III. ISSUE PRESENTED

Does the DOC have the authority to sanction Mr. Flint to return to prison to serve the remaining portion of his sentence for his third violation of community custody conditions?

### IV. STANDARD OF REVIEW

When an inmate challenges a decision from which the inmate has had no other avenue for obtaining state judicial review, the Court reviews the personal restraint petition by examining the requirements of RAP 16.4. In re Cashaw, 123 Wn.2d 138, 148-49, 866 P.2d 8 (1994); In re Lopez, 126 Wn. App. 891, 894-95, 110 P.3d 764, (2005) (denying inmate's challenge to risk level increase that made inmate ineligible to earn 50-percent early release time under ESSB 5990). Under this rule, the inmate is entitled to relief if he can show that a decision "was imposed or entered in violation of the Constitution of the United States or the Constitution or laws of the State of Washington." RAP 16.4(c)(2). A showing that a governmental agency has failed to comply with its own rules or regulations is sufficient. Cashaw, 123 Wn.2d at 147-48.

However, bare assertions and conclusory allegations of constitutional violations are insufficient to support a personal restraint petition. In re Rice, 118 Wn.2d 876, 886, 828 P.2d 1086 (1992).

## V. ARGUMENT

### **THE DOC HAS AUTHORITY UNDER RCW 9.94A.737(2) TO SANCTION MR. FLINT TO RETURN TO PRISON TO SERVE THE REMAINING PORTION OF HIS SENTENCE.**

Mr. Flint alleges that the DOC does not have authority to revoke his earned early release time and sanction him to total confinement for the remaining portion of his sentence. See Petition at 3. Mr. Flint's allegation is without merit.

RCW 9.94A.737 (2) provides:

If an offender has not completed his or her maximum term of total confinement and is subject to a third violation hearing for any violation of community custody and is found to have committed the violation, the department **shall** return the offender to total confinement in a state correctional facility to serve up to the remaining portion of his or her sentence, unless it is determined that returning the offender to a state correctional facility would substantially interfere with the offender's ability to maintain necessary community supports or to participate in necessary programming and would substantially increase the offender's likelihood of reoffending.

RCW 9.94A.737(2).

Contrary to Mr. Flint's argument, there is no statutory language supporting consideration of mitigating circumstances in the first and second hearing. Rather, the DOC was required to sanction Mr. Flint to return to prison to serve the remaining portion of his sentence at his third community custody hearing where the Hearing Officer found no

compelling reasons or mitigating circumstances to justify consideration of a different sanction. Exhibit 1, Attachment B at 6.

Mr. Flint was released on August 27, 2007 from his prison sentence, 1,013 days early. Exhibit 2, Attachment B at 2, entry dated 02/20/2009. While serving his community custody term, he successfully served 366 days. Therefore, Mr. Flint was properly sanctioned to return to total confinement for 647 days. Id.

Because the DOC is statutorily mandated under RCW 9.94A.737(2) to return an offender to prison to serve the remainder of his sentence where the offender is found guilty at a third community custody hearing, Mr. Flint's claim is without merit.

## VI. CONCLUSION

For the above stated reasons, the Respondent respectfully requests this Court deny Mr. Flint's petition and dismiss the case with prejudice.

RESPECTFULLY SUBMITTED this 31<sup>st</sup> day of July, 2009.

21 involves a sex offense or a kidnapping offense (e.g. kidnapping in the first degree, kidnapping in the second degree, or  
22 unlawful imprisonment as defined in Chapter 9A.40 RCW where the victim is a minor and you are not the minor's  
23 parent), you are required to register with the sheriff of the county of the State of Washington where you reside. If you  
24 are not a resident of Washington but you are a student in Washington or you are employed in Washington or you carry  
25 on a vocation in Washington, you must register with the sheriff of the county of your school, place of employment, or  
26 vocation. You must register immediately upon being sentenced unless you are in custody, in which case you must  
27 register within 24 hours of your release.

28 If you leave the state following your sentencing or release from custody but later move back to Washington, you  
29 must register within 30 days after moving to this state or within 24 hours after doing so if you are under the jurisdiction  
30 of this state's Department of Corrections. If you leave this state following your sentencing or release from custody, but  
31 later, while not a resident of Washington, you become employed in Washington, carry out a vocation in Washington, or  
attend school in Washington, you must register within 30 days after starting school in this state or becoming employed

If you change your residence within a county, you must send written notice of your change of residence to the  
sheriff within 72 hours of moving. If you change your residence to a new county within this state, you must send

where you are registered on a weekly basis if you have been classified as a risk level II or III, or on a monthly basis if  
you have been classified as a risk level I. The lack of a fixed residence is a factor that may be considered in  
determining a sex offender's risk level.

If you move to another state, or if you work, carry on a vocation, or attend school in another state you must  
register a new address, fingerprints, and photograph with the new state within 10 days after establishing residence, or  
after beginning to work, carry on a vocation, or attend school in the new state. You must also send written notice

5. Not Guilty

The hearing officer made the following **findings** as to each violation:

1. Guilty
2. Guilty
3. Guilty
4. Guilty
5. Not Guilty

**Evidence Relied Upon:**

CCO Pijaszek reported that on 4/19/02, Mr. Flint was sentenced in Kitsap County Superior Court on Cause AF 0211001651 to 18 to 36 months of Community Custody. He was ordered to report

FLINT, Eric  
733044  
AF 021001651

to The Department of Corrections (DOC) as directed, comply with all DOC imposed conditions, obey all laws and not to possession or consume unlawful drugs or drug paraphernalia.

### **Allegations One, Two and Three**

On 9/10/07, Mr. Flint signed the DOC Standard Conditions, Requirement and Instruction form and agreed to abide by his conditions of Community Custody. On 1/21/07, Mr. Flint signed a Stipulated Agreement and agreed to the following sanctions for four consecutive weeks: Report each Wednesday to his assigned CCO beginning on 1/28/09, submit to increased urinalysis testing and attend 3 sober support groups (AA/NA) per week.

CCO Pijaszek reported that on 1/28/09, she talked to Britney McNight and she said she was with B & M Landscaping and Mr. Flint was working for her. She reported that Mr. Flint was working in Seabeck and may not return from the jobsite in time make his reporting obligation. CCO Pijaszek told Ms. McNight to have Mr. Flint call her if he returned to the office before 5 PM, and if not he was to call her in the morning.

Mr. Flint did not report on 1/28/09, as required, did not call on 1/29/09 as instructed through Ms. McNight. CCO Pijaszek called Ms. McNight on 1/29/09, looking for Mr. Flint, and left a voice message for her to call back. Ms. McNight never called CCO Pijaszek back. CCO Pijaszek then called Mr. Flint's cell phone and it was not working.

CCO Pijaszek asked CCO Zapp to look for Mr. Flint and he could not find him. CCO Zapp checked Mr. Flint's last known location, which was a storage unit he had reported to be living in and could not find him. CCO Zapp went Poulsbo Mini Storage Unit #3 on the night of 1/29/09 and then again on the morning of 1/30/09 and could not find him. CCO Pijaszek then requested a Secretary's Warrant for Mr. Flint's arrest on 1/30/09.

CCO Pijaszek summarized violations one through three by stating, Mr. Flint failed to report since 1/21/09, he failed to make himself available for UA monitoring, he failed to submit verification of attending 3 sober support groups for the weeks ending 1/28/09 and 2/4/09 as agreed in the Stipulated Agreement.

At the Hearing, Mr. Flint plead guilty to allegations one, two and three. He said that he was told by his boss that he was cleared to work on the 28<sup>th</sup> and the message he got, did not say anything about calling on the 29<sup>th</sup>. Mr. Flint said his next report day was on 2/4/09 and he got arrested on the morning of 2/4/09 and therefore could not report after that. Mr. Flint said he also attended the sober support groups but did not have proof of attending and that was why he plead guilty to

FLINT, Eric  
733044  
AF 021001651  
Page 3 of 7

allegations three. He said he also knew that he was required to report on the 28<sup>th</sup> and should have followed up and that is why he plead guilty to allegations one and two.

I found Mr. Flint **guilty of allegations one, two and three** based on his plea and did not find his explanations very believable or creditable. I relied more on the facts presented by CCO Pijaszek in that Mr. Flint did not report since 1/21/09 and then was arrested on 2/4/09.

#### **Allegations Four and Five**

CCO Pijaszek reported that on 2/4/09, Mr. Flint was arrested by Officer Justin Gillen, who was with the Paulsbo Police Department. Officer Gillen noticed that Mr. Flint was driving a red car in the City of Paulsbo and the registration in the computer reported it as a white car. Officer Gillen stopped the car and the driver was Mr. Flint. He did not have a driver's license on his person and said the car had been recently painted red. Investigation revealed that Mr. Flint also had an outstanding DOC warrant. Mr. Flint was arrested and the car was searched. Officer Gillen discovered a multicolored pipe lying between the driver's seat and the door. With Officer Gillen experience as a K-9 handler, he identified the pipe to be drug paraphernalia and it had an odor of burnt marijuana.

Officer Gillen also discovered a blue colored draw string bag which contained a portable scale, a bundle of clear plastic bags and red colored cut straw. Officer Gillen also believed these items to be drug paraphernalia based on his experience. Officer Gillen obtained "Aico" (a certified narcotic detection dog) and proceeded with a narcotic odor search. The dog confirmed the odor of narcotics on the drug paraphernalia. While transporting Mr. Flint to jail he told Officer Gillen that, "it is hard not to go out and buy a pound of dope and flood the city with it." CCO Pijaszek introduced as evidence the police report written by Officer Gillen. She also read the police report aloud at this hearing. In addition, CCO Pijaszek testified that she spoke with Officer Gillen and confirmed the information in the police report.

At the Hearing, Mr. Flint plead guilty to allegation four and said he had the pipe to give to a friend as a replacement to one that he had broken. However, he said he did not know that the scale and the bundle of clear plastic bags were in the car. Mr. Flint also said he did not have his driver's license on him when he was stopped by Officer Gillen, but he did in fact have a valid driver's license.

I found Mr. Flint **guilty of allegation four** based on Mr. Flint's plea and the evidence submitted by CCO Pijaszek.

FLINT, Eric  
733044  
AF 021001651  
Page 4 of 7

I found Mr. Flint **not guilty of allegation five** because Mr. Flint said he had a valid driver's license and produced a valid Washington State ID when he was stopped. And there were no evidence submitted to prove that he did not have a valid issued license. He was not charge with driving without a valid license by the arresting officer and there were no evidence introduced to show that Mr. Flint's license had been suspended.

Under RCW 46.20.005, Driving without a license, this section does not apply if when the person is stopped, they have an expired license or other identifying documentation, etc. Because of these circumstances, the violation becomes a traffic infraction and not a misdemeanor under RCW 46.20.015 (a). Therefore, I found Mr. Flint not guilty because he committed a traffic infraction and did not commit a misdemeanor. Therefore, it had not been proven that Mr. Flint failed to obey all laws.

**Disposition:**

The CCO provided the following information regarding the offender's **adjustment** on supervision:

CCO Pijaszek reported that Mr. Flint is classified as High Violent. His risk factors include attitude/behavior and community/employment. He is currently being supervised for Robbery 1<sup>st</sup> Degree and Possession of Meth. Mr. Flint previous convictions include 3 convictions for Violation of a Protection Order, 2 for UPCS, 2 for Theft, 2 for Obstructing, 2 for Malicious Mischief, 2 for Criminal Trespass and convictions for Possession of Stolen Property, Forgery, Criminal Assistance and Burglary. He also has a pending infraction of Improper Use of License Plates out of Tacoma Municipal Court with a hearing scheduled 3/9/09.

Mr. Flint adjustment to supervision is guarded. Over the last year, Mr. Flint has appeared at 3 OAA Hearings and received sanctions at two. He also signed two Stipulated Agreements. Mr. Flint completed a Chemical Dependency evaluation on 6/4/08 with the recommendation of no treatment at this time. However, given his recent U/A for meth and having drug paraphernalia in his car the risk factors are elevated at this time.

The offender provided the following information regarding their **adjustment** on supervision:

Mr. Flint reported that it has been up and down. He said he has a drug problem and needs treatment. He said he has been out about a year and a half. He said he got a job with the City of Lynnwood, WA and lost the job in October of 2008. He said he was working at the waste water treatment plant making \$24.00. He was fired when he got a DOC violation and they let him go. Mr. Flint said he got the training while he was in prison and the City of Lynnwood gave

FLINT, Eric  
733044  
AF 021001651  
Page 5 of 7

him a brake and hired him. Mr. Flint said he was homeless and living in a storage unit. He now has an offer from friends, with a place to live and an appointment for a job interview at the Family Pancake House in Bremerton, as a cook. Mr. Flint said he lost his car when he was arrested. He has now gotten it back and it cost him \$500.00 in fees. He said if he were released, he could make it to his job interview and get started back into treatment, if given a chance.

The disposition **recommendation** of the CCO:

CCO Pijaszek recommended 30 days confinement, obtain an appointment for a Chemical Dependency evaluation within 7 days of release and follow all treatment recommendations. Enroll in MRT Classes with 7 days of release, report to CCO within 1 business day of release and follow all facility rules.

The disposition **recommendation** of the offender:

Mr. Flint said he would like credit for time served, sanctioned to daily reporting and given an opportunity to get back into treatment. He said he would be happy to take MRT and any other programming recommended.

Hearing Officer **disposition**, decision, and reasons:

The reason for this sanction is because this is Mr. Flint's third full hearing, he is presently unemployed, lost his job with the City of Lynnwood for DOC violations, and has been somewhat homeless by living in a storage unit. In addition, he has not gotten himself into drug treatment after admitting he has a drug problem.

Mr. Flint was recently was given a Stipulated Agreement for using drugs on 1/21/09 and was to report back on 1/28/09 and he never did. Then the next time his CCO hears from him is when he is arrested for having drug paraphernalia in his car on 2/4/09. I find no compelling reasons not to send Mr. Flint back to prison to serve the remaining portion of his sentence. I believe his behavior presents a risk to the safety of the community and this sanction does not interfere with his adjustment in the community. Therefore, I have imposed the following sanction:

On Cause AF 021001651 return to total confinement to serve the remaining portion of your sentence with credit for time served since 2/4/09. Your sentence and release date shall be recalculated and determined by DOC Records Staff at WCC.

**DEPARTMENT OF CORRECTIONS**

**REGIONAL APPEALS PANEL DECISION**

**FROM:** DOC Regional Appeals Panel, Northwest Region, WA

**TO:** Eric Flint

**DOC #:** 733044

**Date:** March 4, 2009

On February 12, 2009, a DOC Hearing was conducted by, Ernest Torok, at the Kitsap County Jail. The Hearing Officer found you guilty 4 of 5 violations for: **1) Failing to abide by previous sanction by failing to report to the Department of Corrections on 1/28/09 as directed in Kitsap County, WA; 2) Failing to abide by previous sanction by failing to be available for urinalysis testing since 1/21/09; 3) Failing to abide by previous sanction by failing to submit verification of sober support group attendance since 1/21/09 in Kitsap County, WA; 4) Failing to obey all laws by being in Possession of drug paraphernalia on or about 2/4/09; 5) Found Not Guilty** These are violations of the conditions of your supervision/custody. The Hearing Officer issued a Hearing and Decision Summary on February 12, 2009, and imposed the following sanction(s) upon you: Return to total confinement to serve the remaining portion of your sentence with credit for time served since 2/4/09. Your sentence and release date shall be recalculated by DOC Records Staff at WCC.

On February 17, 2009, your appeal was received in which you requested a review of the Hearing Officer's decision and/or sanction. You specifically appealed:

- The finding(s) of guilt
- The sanction(s) imposed
- Other, as explained below:

Your appeal identifies your dissatisfaction with the imposed sanction of CCP Return as you believe it was unreasonable.

**The DOC Regional Appeals Panel has investigated your appeal request and finds that:**

- You were found guilty based upon sufficient evidence.
- There was insufficient evidence for a finding of guilt as explained below.
- A procedural error was made as explained below.
- A guilty finding was made based on unconfirmed allegations as explained below.
- Other as explained below:

The Regional Appeals Panel reviewed all materials provided as discovery from your hearing held on February 12, 2009 at your hearing held at the Kitsap County Jail along with a copy of the Hearing Officer's report.

The Panel reminds you Mr. Flint that you entered guilty pleas to 4 of 5 violations and in turn were found guilty of those 4 violations. This was documented as willing, knowing and voluntary pleas. The Hearing Officer imposed a sanction in accordance to established and identified guidelines and in your particular case, ESSB 6157. Although the sanction imposed may seem somewhat severe for the behavior identified, you must understand that the Department of Corrections has regulations to which they are required to adhere to and in this specific case, the Hearing Officer found no supporting or mitigating factors to support a sanction other than you be returned to prison to complete that remaining portion of your sentence.

Given those reasons as well as information identified in the Hearing Officer's report, this Panel see's no alternative to the sanction imposed and will authorize no modification to this sanction.

**AND THEREFORE**

The decision of the Hearing Officer is:

- Reversed and vacated
- Reversed and remanded for a new hearing. You will be notified of the hearing date, when scheduled.
- Modified as follows:
- Affirmed

\*\*Late Entry\*\* Attempted contact with P this date. Went by Poulsbo mini-storage and checked unit #3. There was a lock on the outside of the unit. Had description of P's car from CCO Pijaszek but there was no vehicle in vicinity matching description of P's car. Appears someone rents the unit because it is locked from outside, but obviously P was not sleeping inside as he had reported to his CCO.

Received call from CCO Pijaszek, Bremerton Field Office. Stated P is homeless and has advised her that he is sleeping in his storage unit in the Poulsbo Mini-Storage facility. Asked if I could check for verification. I went by facility but did not see anyone near the unit (#3), but there was a lock on the unit which gives me the impression that someone is renting the unit.

Attempted to reach p by phone to advise him to return to office to sign new stip as the one he signed had incorrect name. Unable to reach p by phone as the number was not in service. Attempted to reach him via mom's phone #, mom stated she hadn't seen p in months but that if she did hear from him she would have him contact his CCO. Attempted to reach p via email address listed on MR.

P reported as directed and states he rented a storage unit @ Poulsbo Mini Storage - Unit #3 which is where he is temporarily sleeping (it is heated and p has 24 hr access). CCO asked if he had manager approval to sleep there and he stated "they didn't say he couldn't". P states he is making extra money doing tattooing. P is advised that he needs to have a bus license to do this and possibly some type of licensure for that type of work, which he stated he's still working on. P was given a job posting for waste water treatment worker opening and directed to follow up with it. P stated he was notified by UE office that his weekly benefit amt would be \$405...UE req'd add'l info which he completed and was returning via fax next day. P provided new mailing address which is where he rec's mail and showers only...OMNI updated w/ mailing address. P stated he has not used drugs/alcohol since last stip'd...p cont to deny use even when confronted w/ pos UA stating he "didn't know how that could be possible". P finally admitted use, signed Stipulated Agreement w/ sanctions of cont'd weekly reporting, 2 AA/wk, increased UA's. P has previously completed CD tx and is adv that continued use will result in CCO recommending he obtain new eval to det if relapse prevention be req'd. NRD 1/28/2009
