**RE: In re PRP of Devon Adams, No. 87501-4  
Statement of Additional Authorities (RAP 10.8)**

Clerk of the Court:

Mr. Adams submits the additional authorities on the “successor petition” issue raised by the State:

*Wentzell v. Neven*, 674 F.3d 1124, 1127-28 (9th Cir. 2012) (“In the context of finality, we treat the judgment of conviction as one unit, rather than separately considering the judgment's components, *i.e.*, treating the conviction and sentence for each count separately... We... hold that Wentzell's petition is not ‘second or successive’ under the AEDPA because it challenges a new, intervening judgment);

*Johnson v. United States*, 623 F.3d 41 (2d Cir. 2010) (interpreting “successive” applications with respect to the judgment challenged and not with respect to particular components of that judgment.).

Sincerely,

/s/Jeffrey Ellis
