Pursuant to RAP 10.8, appellant cites to the following additional authority:

State v. Faleide, 652 N.W.2d 312, 313-14 (N.D. 2002) (holding trial court lacked statutory authority to order forfeiture of weapons as condition of probation; reasoning an order of permanent forfeiture is outside the sentencing limits established by the probation statute because the probation statute places a time limit on the condition of probation).

DATED this 14th day of February 2014.

Respectfully submitted,
