COURT OF APPEALS
DIVISION III
STATE OF WASHINGTON
By: *[Signature]*

I, Benito Gómez, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

ineffective assistance counsel for failure to object to
imposition to legal financial obligation (LFO).

Additional Ground 2

Misidentification by Mr. Fruit. Mr. Fruit identified me using a news
paper article of me as his identification of me. The picture was
suggestive enough that would lead to an irreparable misidentification
in court. Given the circumstance and probability of a miscarriage
of justice, I think his testimony should be stricken in regards
to the identification of me and a mistrial is in need of for repair
of justice.

If there are additional grounds, a brief summary is attached to this statement.
