To the Washington State Supreme Court Clerk via Approved ADA Advocate Traci Eccles:

Dear Supreme Court and Clerk:

I am John Garrett Smith. I am authoring this e-mail to be distributed to you via my approved liaison under ADA accomodation law, Ms. Traci Eccles.

We are familiar with the acts of other courts in this state to ignore, deny, and abrogate the lawful mandates of ADA accomodations. I am hereby, respectfully and simply asking you to stop violating statutory law and simply correspond with me, a High-Functioning Autist as diagnosed in accordance with even WHO standards, in accordance with the ADA rules.

It is highly documented that you and the state are operating without any valid jurisdiction to even hold these proceedings, let alone falsely incarcerate me, or act complicitly to the myriad illegal acts that you were first notified of on 4.25.17. At the very least, for the sake of common decency, if not lawful behavior, please communicate with me in accordance with the established laws of this Nation. Thus far, both Ms. Eccles and I have been excluded from copious communications and correspondence within your court proceedings. Please correct these omissions immediately.

For the record, we are still awaiting communication from you and the court as to how you are able to falsely incarcerate me and hold these fraudulent proceedings in the absence of any legal jurisdiction after having been presented with irrefutable evidence that my entire criminal case was fixed and laced with nefarious criminal acts perpetrated and masked by the state.

How do your offices justify operating under such illegal tenets? The citizens of America are waiting for an answer, as I am waiting for my day of rightful, legal freedom.

Sincerely Under the Constitution of The United States of America,

John Garrett Smith
