**STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW**

I, Ed Nelson, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

**Additional Ground 1**

Ineffective Counsel. state appointed attorney's performance was deficient and didn't function as the counsel guaranteed by the VI amendment. In fact, my counsel continually coerced me to waive my 6<sup>th</sup> Amendment right, which became a conflict of interest from the beginning. Transcripts will reflect multiple "Contested Continuances" on my behalf. Barber v. Wingo, 407 U.S. 514 Strickland v. WA; Also Strunk v. United States, 412 U.S. 434 Counsel also allowed the state to play my video taped statement from police at trial which prejudiced my defense. Probative value was out weighed by the prejudice. See Jordan v. Clark, U.S. Dist. Lexis 184510

**Additional Ground 2**

Yakima County Superior Court lacked Jurisdiction. Prosecutors Failed to Answer Memorandum of record administrative process "proof of claim" for Joseph Basic (prosecutor). And affidavit of Default Res Judicata. Melo v. U.S., 505 F2d 1026. The STATE OF WASHINGTON is a Bankrupt corporation. Please see Washington State Const. article XII, Sect. 1 Also WA. St. Const. Art. VIII Sec. 1, state Dept

If there are additional grounds, a brief summary is attached to this statement.
